Road as Completed Line	In Progress	Excavator cleaned ditch along road completed. As excavator walks out it will need to knock down the small berms that will prevent water on road from entering ditch. Areas of expose dirt along areas of ditch repair. Most of these exposed dirt areas drain into ditch release culverts, little risk of sediment entering live streams below road. Evaluate after rain event in a couple days to determine if sediment traps will be needed over winter. READ Kidwell 10/6/20	25710
Road as Completed Line	Completed - Ready for Inspection	from 3 way intersection:Excavator cleaned ditch along road completed. As excavator walks out it will need to knock down the small berms that will prevent water on road from entering ditch. READ Kidwell 10/6/20	15868
