

RTLSA Lamy - Unit 1

RTLSA Lamy - Unit 1

 LamyRxAdditionalSurvey2020

 RTLSA_Lamy_RX_22

RTLSA Lamy, Unit 1 – Additional archeology and wildlife survey requested to utilize large meadow as natural control feature. This will allow for more safer and more efficient fire operation of subsequent burn units.

Archeology survey would focus on forested areas with a 100-meter buffer to allow for fire-line patrol.

Wildlife survey would focus on MSO recovery habitat effected by Unit 1 and could allow for burning after August 31, 2022.
