

This is a detailed lightning map for the Siskiyou Mountain Resource District (SMRD) dated June 10, 2025. The map displays the geographical area of the district, including the Siskiyou Mountains and surrounding regions. It features a grid of lightning strikes, with colors indicating the intensity or type of the strike. A legend in the bottom right corner provides a key for the symbols and colors used on the map, including various types of lightning strikes, terrain features, and administrative boundaries. The map is titled "SMRD Lightning Map 06102025" at the top center.
