.DISCUSSION...Red Flag Warnings for abundant lightning and extremely dry fuels are in effect for zones 220, 221, 222, 223 and 224 through midnight Sunday night.

High pressure persists across the Interior, accompanied by hot and dry conditions. As temperatures climb Friday and Saturday minimum RH values will drop into the 20s and 30s for much of the Interior. An unstable airmass will support isolated thunderstorms through the weekend, with areas of scattered thunderstorms, especially over the Yukon Flats and Fortymile Country. South winds gusting as high as 30 mph will continue through the Alaska Range Passes tonight, resulting in near Red Flag conditions. Winds gradually decrease on Friday.
