#### HEALTH AND SAFETY MESSAGE

SAFETY starts with YOU

For Day/Night Operations: September 7, 2025

**INCIDENT:** Root Fire

Day: Saturday/Sunday Shift: Day/Night

#### Major Hazard and Risk:

- ➤ Chainsaw operations: Chainsaw operations on a wildfire presents hazards from falling trees, kickbacks, fatigue, smoke, burned trees, snags, stump holes. Wearing proper PPE, maintaining situational awareness, ensuring escape routes, working in pairs, taking rest breaks, and following safe cutting practices can help prevent accidents.
- ➤ **Hazardous Roads:** Narrow roads, steep drop offs, erratic drivers, and operator fatigue are all prevalent on this and other assignments. Watch out!
- Extended Extraction Times: Be familiar with the medical plan. Develop a plan on how you would get an injured firefighter out timely. Factor in how rocky terrain, trees, stumps, will reduce the likelihood of utilizing helicopters for a medevac.

<u>Fire Order of the Day:</u> Maintain prompt communications with your forces, your supervisor, and adjoining forces.

Watch Out Situation: Instructions and assignments not clear.

#### Hazard tree indicators:

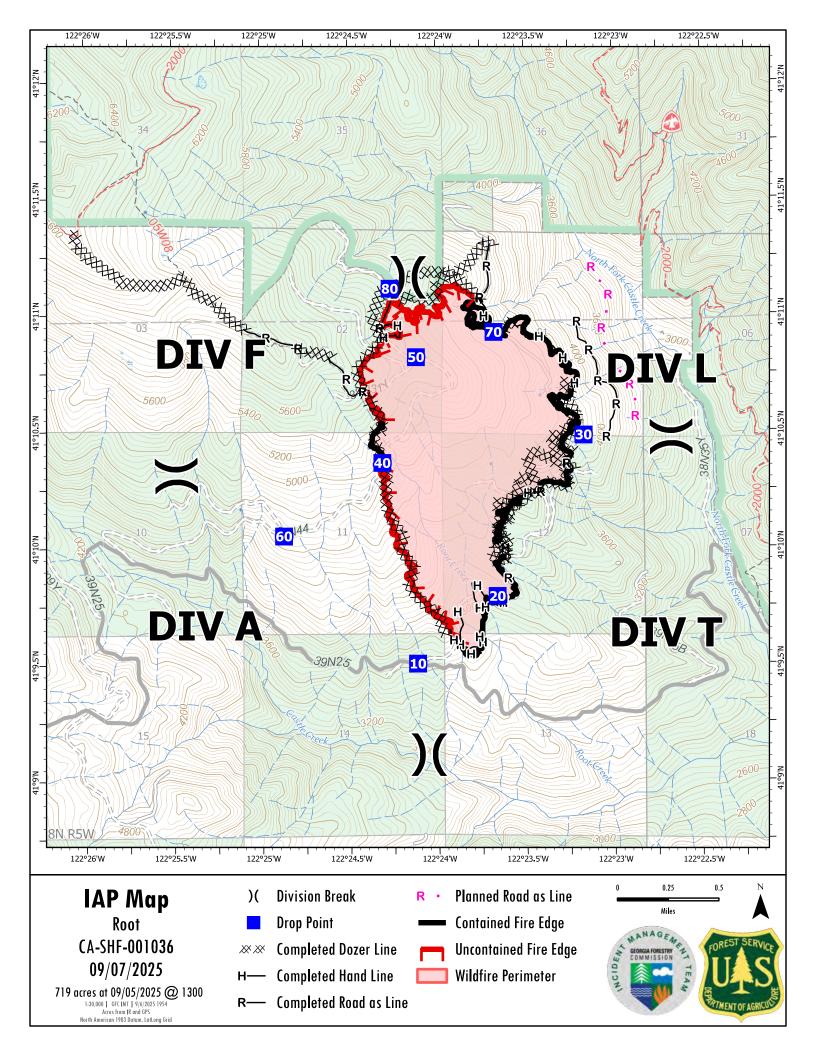

- 1. Trees have been burning for an extended period
- 2. High risk tree species (rot and shallow root system)
- 3. Numerous down trees
- 4. Dead or broken tips and limbs overhead
- 5. Accumulation of down limbs
- 6. Absence of needles, bark or limbs
- 7. Leaning of hung-up trees

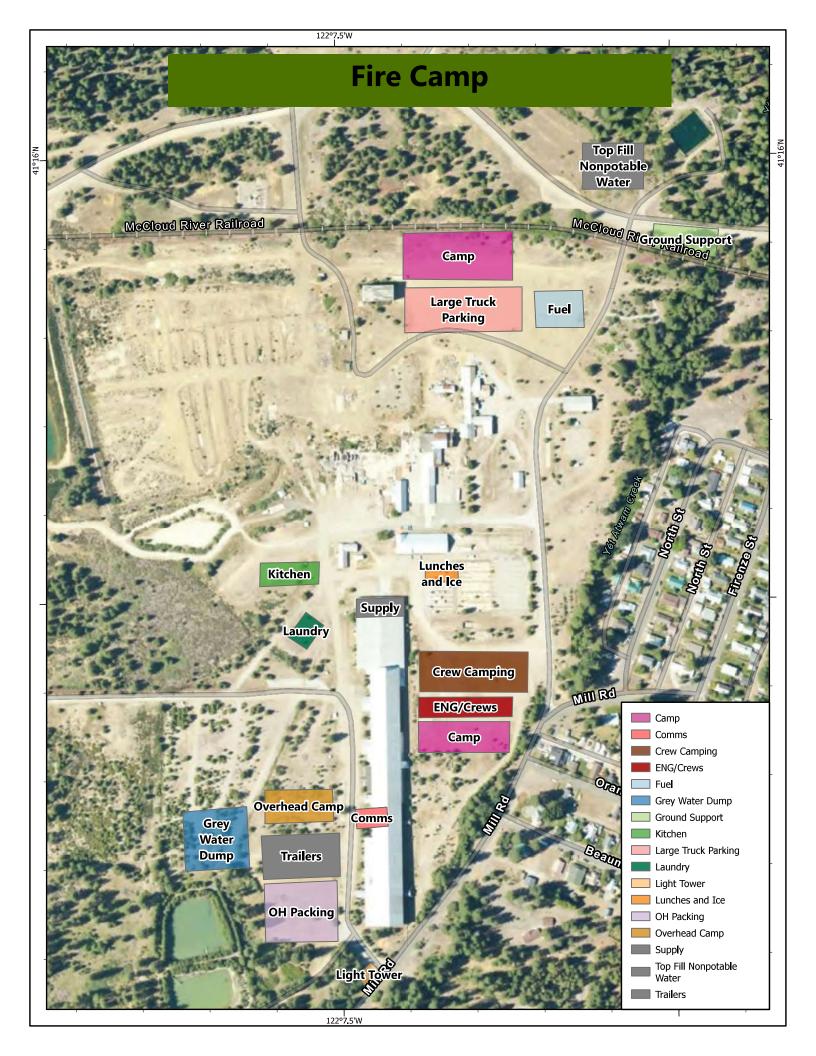

#### Thanks, from your Safety Team!!

#### **READ Message**

The areas you are helping to protect include various significant natural and cultural resources. There are plants, animals, and cultural history associated with this area that in some cases can only be found here!

Sensitive areas are being identified with yellow & white striped, black letter "EQUIPMENT EXCLUSION ZONE" flagging. In general, these are ground disturbance avoidance zones. Heavy equipment is asked to stay on existing roads and walk through with blades up. Hand treatments are preferred. Please work with the available Resource Advisors if you have questions.
