### **READ Message**

The areas you are helping to protect include various significant natural and cultural resources. There are plants, animals, and cultural history associated with this area that in some cases can only be found here!

Sensitive areas are being identified with yellow & white striped, black letter "EQUIPMENT EXCLUSION ZONE" flagging. In general, these are ground disturbance avoidance zones. Heavy equipment is asked to stay on existing roads and walk through with blades up. Hand treatments are preferred. Please work with the available Resource Advisors if you have questions.
