36. Projected Incident Activity, Potential, Movement, Escalation operational period and in 12-, 24-, 48-, and 72-hour timeframe	

Crews will secure the small amount of firing that was conducted to contain the spot fires in Div. L. Crews will 12 hours: continue to mop-up in all divisions. High potential for extreme fire behavior remains as the interior of the fire continues to burn. Divisions continue to monitor for additional spot fires.

24 hours: All divisions will transition to mop up, patrol and suppression repair.

48 hours: **Transition back to the home unit. All divisions will continue to mop up, patrol and suppression repair.**

72 hours: All divisions will continue to mop up, patrol and suppression repair.

Anticipated after 72 hours:

37. Strategic Objectives (define planned end-state for incident):

100% CONTAINMENT

38. Current Incident Threat Summary and Risk Information in 12-, 24-, 48-, and 72-hour timeframes and beyond. Summarize primary incident threats to life, property, communities and community stability, residences, health care facilities, other critical infrastructure and key resources, commercial facilities, natural and environmental resources, cultural resources, and continuity of operations and/or business. Identify corresponding incident-related potential economic or cascading impacts:

12 hours: Residences, threatened and endangered species including the Spotted Owl, Marbled Murrelet and various plants, designated wild & scenic Eel River Corridor.

Residences, threatened and endangered species including the Spotted Owl, Marbled Murrelet and various plants, designated wild & scenic Eel River Corridor.

48 hours: Residences, threatened and endangered species including the Spotted Owl, Marbled Murrelet and various plants, designated wild & scenic Eel River Corridor.

72 hours: Residences, threatened and endangered species including the Spotted Owl, Marbled Murrelet and various plants, designated wild & scenic Eel River Corridor.

Anticipated after 72 hours:

39. Critical Resource Needs in 12-, 24-, 48-, and 72-hour timeframes and beyond to meet critical incident objectives. List resource category, kind, and/or type, and amount needed, in priority order:

12 hours:

24 hours:

48 hours:

72 hours:

Anticipated after 72 hours:

40. Strategic Discussion: Explain the relation of overall strategy, constraints, and current available information to:

Incident: LODGE COMPLEX

1) critical resource needs identified above,

2) the Incident Action Plan and management objectives and targets,

3) anticipated results.

Areas outside the control lines are being closely monitored for new spot fires. Mop up and suppression repair will continue on the remainder of the fire. Demob of excess resources continues.

41. Planned Actions for Next Operational Period:

Transition all divisions to mop up and patrol status. Continue suppression repair. Monitor Div. L for additional spot fires.

42. Projected Final Incident Size/Area: 14,000

43. Anticipated Incident Containment or Completion Date: 08/20/2014

44. Projected Significant Resource Demobilization Start Date: 08/15/2014

45. Estimated Incident Costs to Date: \$35,005,493.00

46. Projected Final Incident Cost Estimate: \$41,000,000.00

47. Remarks (or continuation of any blocks above – list block number in notation):

Interior islands of unburned fuel continue to be consumed.

All divisions have either begun mop up or transitioned to suppression repair.

Basecamp has begun a reduction in size.

Meeting for the transition back to the unit is scheduled for Tuesday.

Areas outside the control lines will be closely monitored for any new spot fires.

Energy Release Components (ERC) are at historically high levels. The average slope is 70%.

Evacuation Warnings are still are in effect for all areas including Dann Valley, Little Creek, Cedar Flat, Cummings/Little Red Mountain, Camp St. Michael, Hermitage, Big Bend, Camp Seabow, Elder Place, Tan Oak Park, Bald Mountain Ranch, Mad Creek and Elk Creek east of Brush Mountain.

All times represented are in Central Standard Time (CST) unless otherwise noted.
