

INCIDENT ACTION PLAN

HOG INCIDENT

CA-LMU-003874

Monday

OPERATIONAL PERIOD

7/20/2020 0700

to

7/21/2020 0700

INCIDENT OBJECTIVES (ICS 202)

1. Incident Name: <p style="text-align: center;">Hog</p>	2. Operational Period:	Date From: 7/20/2020	Date To: 7/21/2020
		Time From: 0700	Time To: 0700

3. Objective(s):

- Management Objectives**
- Provide for emergency personnel and public safety at all times.
 - **Ensure COVID-19 precautions and best practices are met at all times.**
 - Protect property, improvements, and infrastructure.
 - Ensure repopulation takes place in a quick, efficient, and effective manner.
 - Ensure coordinated, timely and accurate release of public information.
 - Foster and maintain relationships with all cooperators and stakeholders.
 - Protect economic, natural, cultural and heritage resources.
 - Maintain fiscal accountability and keep costs commensurate with values at risk.

- Control Objectives**
- Keep the fire East of Hwy 36 to Peg Leg Mt. to Mike's Lodge
 - Keep the fire South of Eagle Lake Summit to Bridge Creek Springs Road
 - Keep the fire West of D Line
 - Keep the fire North of Hwy 36

General Situational Awareness:

Steep and rugged terrain, critically dry and receptive fuel beds, active area for fire history and drought stressed trees.

5. Site Safety Plan Required? Yes No

Steep winding roads are throughout the incident. Slow down when driving on loose gravel and blind curves. Drive defensively with headlights on and use hands free devices.

Working on steep, uneven terrain. Be mindful of rolling materials.

Ensure radios are properly programmed for today's IAP and that crews are trained in communications procedures for the incident.

Maintain situational awareness. Look up, Look down, Look around

Stay hydrated!!! Time to think = time to drink. Document rest and hydration on 214.

Remain mindful of what is going on around you! LCES!

HEADS UP!!! Lookout for SNAGS when working around areas with burned trees. Evaluate all wind damaged trees with large limbs before working under around them.

Avoid complacency!!!! Experiencing extreme fire behavior due to low live and dead fuel moistures, persistent drought, and elevated fire danger rating values.

COVID 19 PRECAUTIONS
The virus is thought to spread mainly from person-to-person who are in close contact with one another (within about 6 feet). To limit your and those around you to exposure, please follow the recommended guidelines below:

Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing. If soap and water are not readily available, use a hand sanitizer that contains at least 60% alcohol. Cover all surfaces of your hands and rub them together until they feel dry.

If possible, maintain 6 feet between you and the person you need to communicate with.

Cover our mouth and nose with a face covering when around others.

If you are in a private setting and do not have a face covering, remember to always cover your mouth and nose with a tissue or the inside of your elbow when you cough or sneeze.

Clean AND disinfect your vehicle along with any frequently touched surfaces daily.

ICS 208	Date/Time: 7/19/2020 2000	

INCIDENT ACTION PLAN SAFETY ANALYSIS (ICS 215A)

1. Incident Name: Hog	2. Operational Period:	Date From: 7/20/20 Time From: 0700	Date To: 7/21/20 Time To: 0700
Incident Area	Hazard/Risks	Mitigations	
ALL	FATIGUE	Be alert for signs of fatigue and take breaks as necessary. Drink water before, during and after your shift. Be alert for signs of heat disorder in yourself and others.	
ALL	DRIVING HAZARDS	Drive defensively! Expect the unexpected around every turn. Drive with headlights on, use wheel chocks and always look before backing. Increase following distances on dusty roads.	
ALL	WEATHER	Be thoroughly familiar with weather predictions and monitor conditions on the ground for changes. Carry proper equipment	
ALL	DEHYDRATION	Drink water before, during, and after your shift. Logistics will have water available.	
ALL	ANIMAL ATTACK	Keep distance from animals and identify aggressive animals. Be mindful of any injuries that could develop into infection.	
ALL	IMPROVISED WEAPONS	Pre-planned walk through and identify and remove potential hazards. Officers to have proper equipment (hats/bats) for protection.
