Transition

Welcome Great Basin Team 1

Factors for increased risks to fireline personnel during transition periods include:

- Change of leadership
- Change of tactics
- Communications: face-to-face briefings may not be possible and radio frequencies may be overextended and/or changing due to the increased demands on the system
- Changing of work assignments and location on fire
- Location of safety zones and escape routes may not be known and communicated to all resources
- Leadership communication styles
- Not all resources know who they are working for
- SOMETIMES REFERED TO AS WATCHOUT SITUATION #19

Letter from Great Basin Team 3 Deputy Incident Commander:

To: All Dixie Personnel:

As Great Basin Team 3 Deputy Incident Commander, I am committed to a policy of “zero tolerance” of inappropriate behavior during incident operations.

Any form of harassment, discriminatory practices, or disrespectful behavior will not be tolerated.

Covid protocols and mask requirements will be followed at all times. Any violations of these may lead to immediate demobilization.

Guidelines on inappropriate behavior both “On Duty” and “Off Duty” while assigned are addressed within each agencies policies. Our Team expects all incident personnel to follow established government policies for behavior along with all Illegal drug and alcohol directives.

Our Incident Management Team endorses and supports an attitude of mutual respect for all personnel and the public we serve.

We expect a strong work ethic and an attitude of Safety at all times!

Sincerely,

/s/ Trent Ingram
Deputy Incident Commander
Great Basin Team 3

Type 2 Incident Management Team

1. Incident Name: Dixie (West)	2. Operational Period: Date From: 10.13.2021 Date To: 10.13.2021 Time From: 0700 Time To: 2100	
3. Objective(s): <ul style="list-style-type: none"> • Implement and/or account for the repair of fire suppression-related activities as specified in the Dixie Fire Suppression Repair Plan. • Identify and communicate hazards and conduct actions only when risks have been mitigated to acceptable levels. • Maintain an elevated awareness of current COVID-19 precautions and best infectious disease control measures to ensure the health of fire personnel and the public. • Provide safe and efficient initial attack within the established TFR perimeter. • Implement strategies and tactics, with the highest probability of success, that keeps the fire within the existing containment lines and minimize the impact to the cultural, heritage, and natural resources. • Provide timely and accurate information to the public, stakeholders, cooperators and the adjacent incident management teams (East & West zones) about fire status, fire management strategies and tactics, repair efforts, and any potential fire-related safety and health concerns. • Maintain fiscal accountability and keep costs commensurate with values at risk. 		
4. Safety - See Safety Message within IAP Message from Great Basin Team 3 Incident Commander: Thanks to one and all for the great safety record. Thank you Lassen National Forest for hosting and supporting our team. No man will make a great leader who wants to do it all himself, or to get all the credit for doing it. -- <i>Andrew Carnegie</i> In the face of leadership flaws, too many people assume cynical perspectives, rather than do the hard work of building relationships in which they can have more positive influence. -- <i>Ira Chaleff</i>

Human Resource Message

Dixie Fire
October 13, 2021

Welcome

There are a number of transitions occurring on the incident as we welcome the incoming GB 1 Team and say good-bye to the outgoing GB 3 Team. It takes a village to run an incident and all of us make a difference! The Firefighters, Overhead and all the support people are all important and give thanks to each of them.

Remember that illegal drugs, and alcohol are forbidden, appropriate humor and laughter is encouraged, and all welcoming behavior is encouraged.

If someone makes an inappropriate comment, disparaging someone or using inappropriate language, or perhaps inappropriate humor, step forward as a bystander. Be the change you want to see in the world and spread positivity and inclusivity.
