

NO FURTHER IAP

Demob Glidepath

Due to the increase in positive COVID 19 cases, the demob schedule has been accelerated. A limited number of resources who will go to the fire line were notified by Operations on Thursday. All other operational resources are to remain in their hotels or residences. Once your demob time arrives, follow the virtual demob guidelines as outlined on page 2.

No operational resource should be coming to ICP other than to get tested. Josephine County Health Department will be at ICP at Wild Rivers Ranger District (READ tent on the lower compound) to administer tests. Any concerned individual may get tested.

If you are scheduled to demob and get a positive test, please contact Colby Hawkinson at 541-727-8437 for further instructions and options.

If you need a flight, please contact Demob immediately at 541-450-9034 to get one scheduled.

If you have questions on your Demob date or are not on the list, please work with your section chief. Other questions on the demob process can be directed to Demob at 541-450-9034.

The remote Demob Procedure for Newbies

***If you do not have a smart phone or access to a computer, call Demob for assistance.

First, either you will be 'timing out' or your fire supervisor will notify you that you are excess to the needs of the incident. In both cases, the first step you need to take is to make sure that you have sent all of your CTRs or Shift Tickets to the Time Unit in the Finance Section.

Second, if you need a flight home, make sure that the Demob Unit Leader (DMOB) has your name as it appears on your picture ID, your correct birthdate, and the correct airport that you need to fly back to. We need three days notice to arrange flights in most cases. Be sure to touch base with DMOB a day or two before you are to fly to make sure you have an itinerary and other needed travel arrangements.

If you will be demobing and your home state requires you to get a COVID-19 test prior to your return, contact Colby Hawkinson IMMEDIATELY at 541-727-8437.

Those tests will be performed at: Valley Immediate Care, 162 NE Beacon Suite 103, Grants Pass, OR 97527
DO NOT GO TO THE TESTING CENTER WITHOUT CALLING COLBY FIRST OR YOU WILL BE ASKED TO PAY THE \$132 TEST FEE OUT OF YOUR POCKET.

Use the QR code on the front of the IAP to get the Demob Checkout sheet.

After your last shift, follow these steps and fill out the ICS 221:

1. Get your vehicle washed at the **Weed Wash** station at DP 50.
2. Get your vehicle inspected at **Ground Support** at the lower compound at Wild Rivers Ranger District.
3. Return any remaining items to the **Supply Unit** at the lower compound at Wild Rivers Ranger District.
4. Return your radio to the **COMM** unit at the lower compound at Wild Rivers Ranger District.
5. Turn in your ICS-214s, and any other documentation that needs to stay with the incident, to the Documentation Unit Leader (DOCL). There is a doc box located with COMM.
6. Follow the directions from the **Finance Section** on how to finalize your TIME.

Finally, call the DMOB at 541-450-9034, at the end of your last shift or earlier to make sure you are on track to demob. The DMOB will verify that you have completed all of the steps and that you are ready to demob. If you do not complete the demob process it may impact your ability to get reassigned.

The DMOB will gather info on your travel plans and ETA to your home unit. Your actual release will be reported on up through the dispatching system.

You are now free to go! Don't forget, if you can't get to your home unit by 10pm you will need to Rest Over Night (RON) somewhere along the way. In some cases, you will not be released from the incident until you have had at least eight hours of rest. If travelling on public transportation (airplane, bus, shuttle etc.) you are required to be showered and in clean clothes.

FINANCE

If you have been reassigned to North Slater, please be sure to finalize your paperwork for Slater. Easier to have it all taken care of rather than to do it when you're demobing.

Be sure to send your documents to
2020.Slater.Finance.North@firenet.gov

IF you don't have that capability, give them to your division supervisor. Finance will be sure to check with OPS to see if they have any for the section.

Any questions for Finance, please call 847-946-0403
