

North Complex

CA-PNF-001308

Fire Progression Map

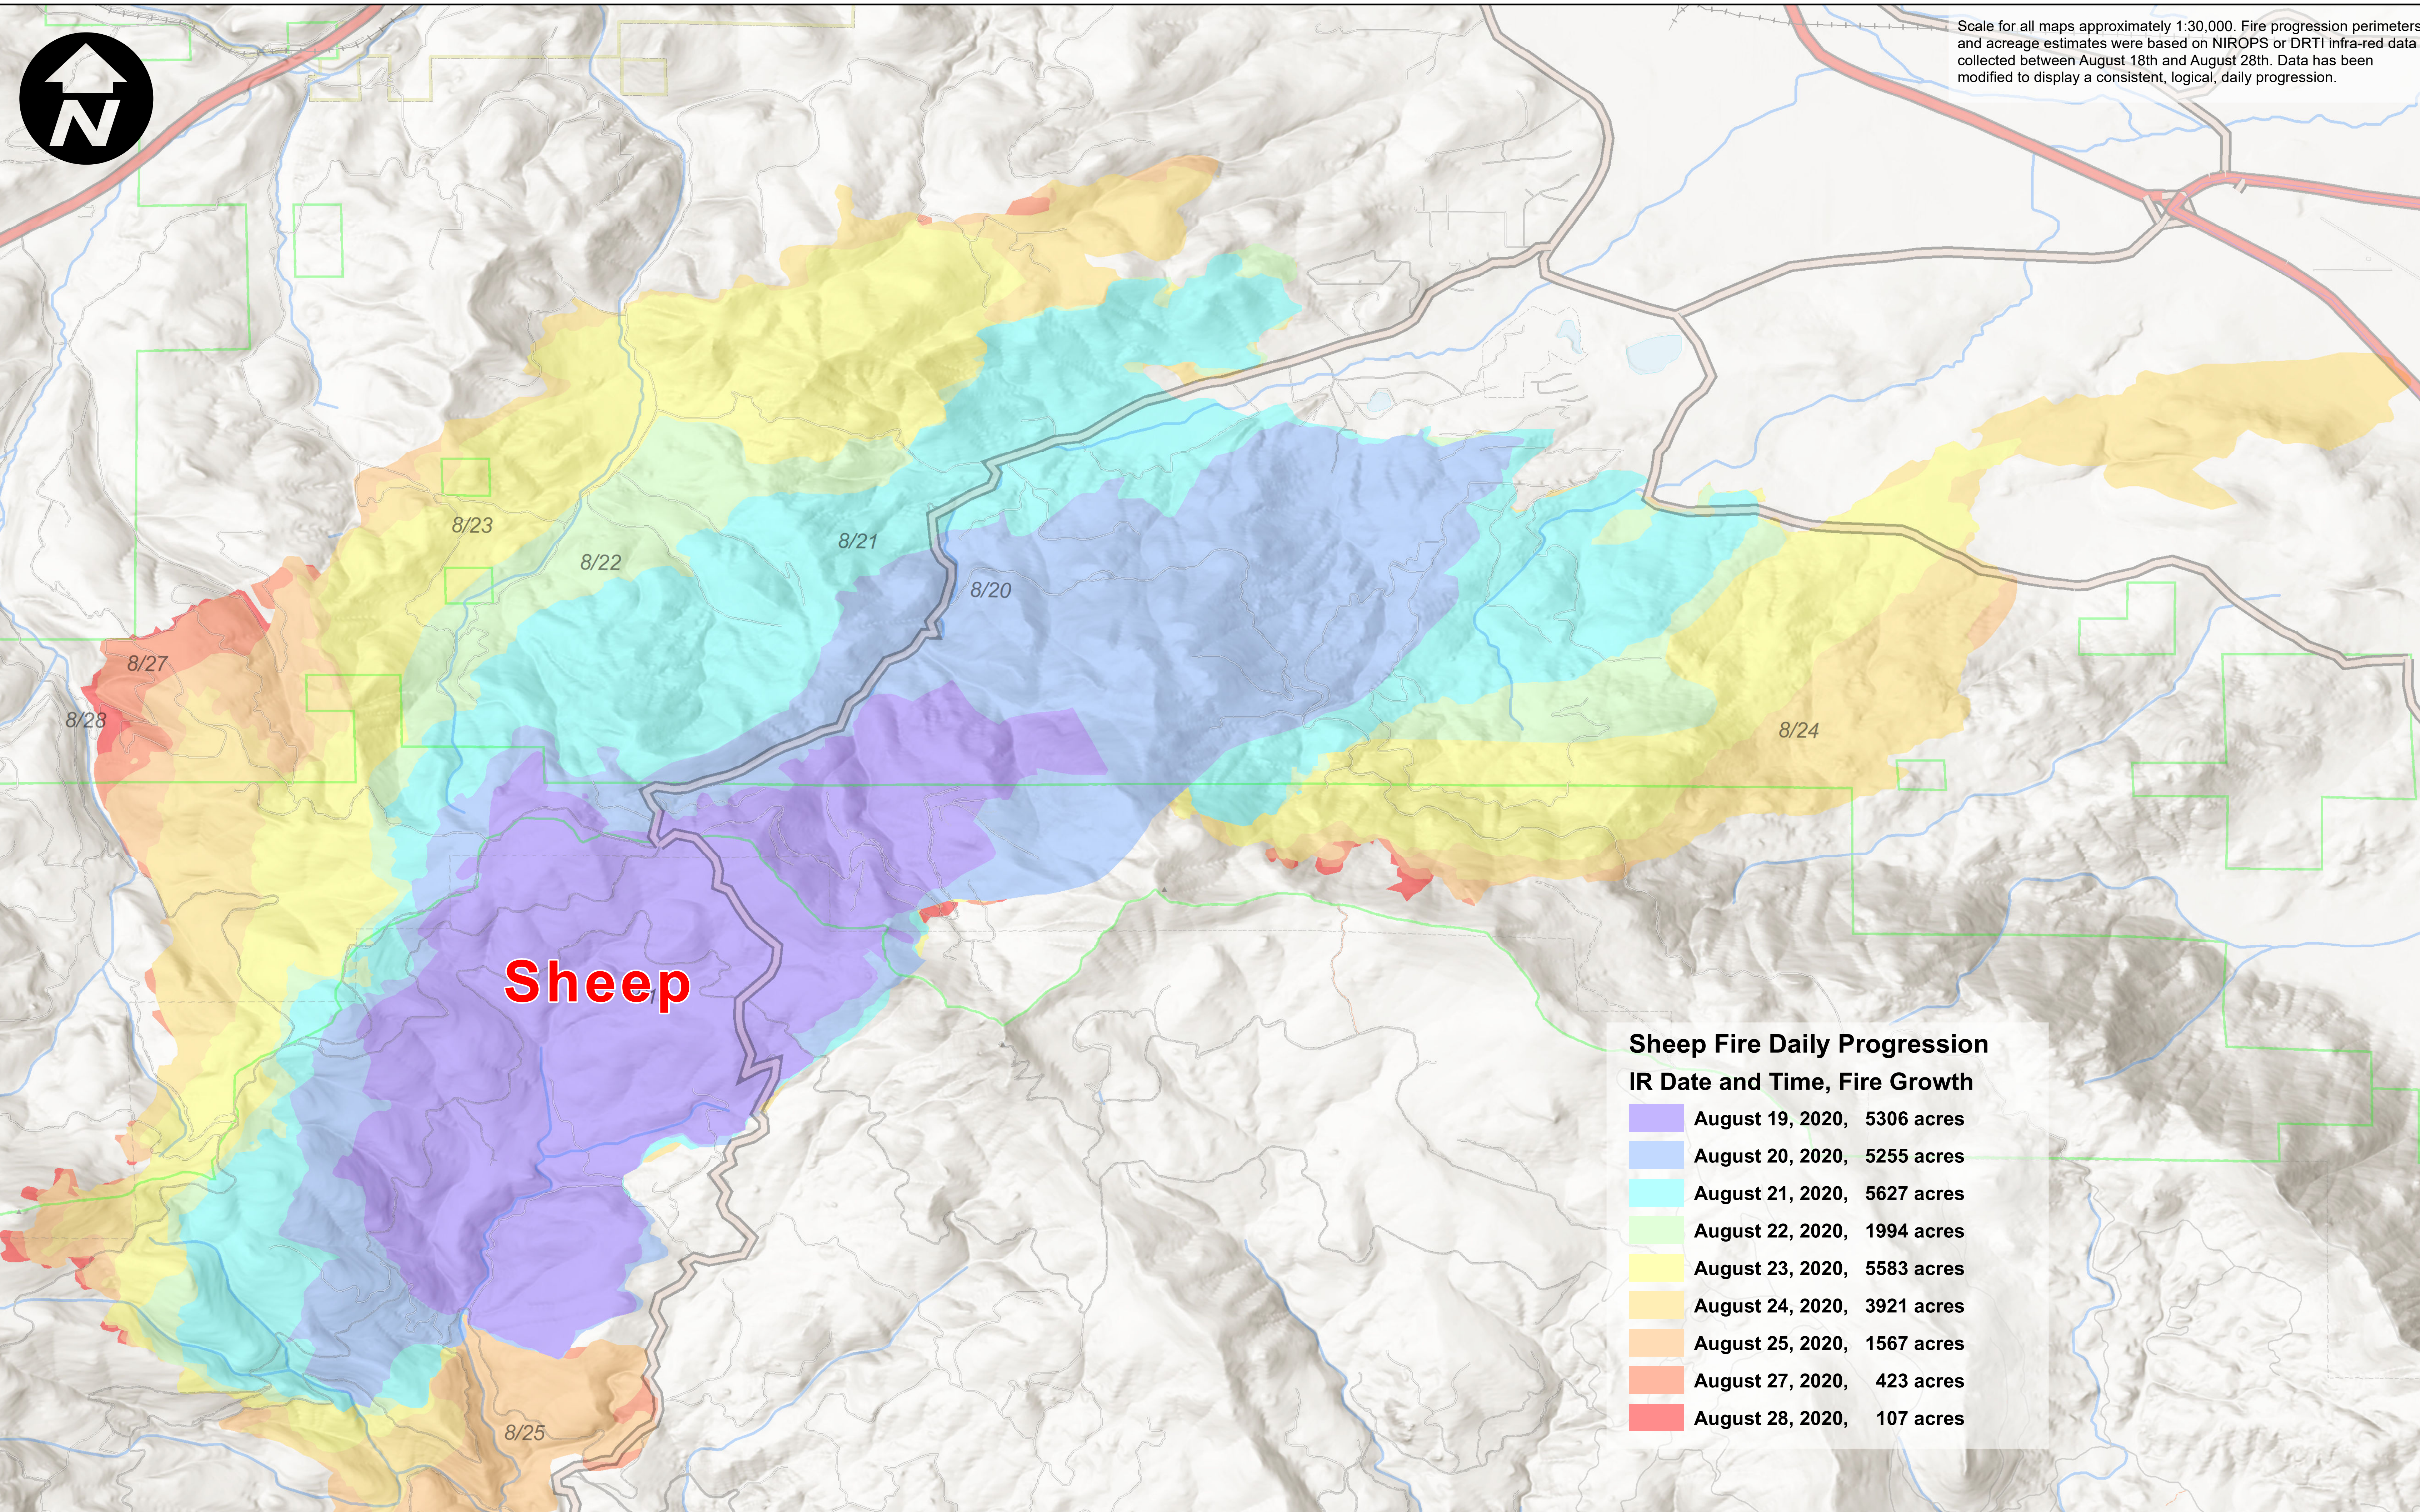

August 29th, 2020

Perimeter current as of 8/28/20, 1400 hrs.

Sheep Fire

CA-PNF-001299

Scale for all maps approximately 1:30,000. Fire progression perimeters and acreage estimates were based on NIROPS or DRTI infra-red data collected between August 18th and August 28th. Data has been modified to display a consistent, logical, daily progression.
