

MAP VI-Indian Hi-You
 Physical Location of MAP: Line runs East west along Indian Creek Road and Hi-You Gulch Road
 Values at Risk:
 • Firefighter and Public Safety
 • Private Holdings in DIV Y
 • Community of Hooperville and greater Fort Jones area
 • Industrial Timberlands
 • McClams Creek Structures
 • Transmission lines and communications towers
 Management Intent/Action of MAP: Prepare for and/or implement protection of values at risk by setting priorities and reducing negative impacts from catastrophic fire. Preserving Industrial Timber and T&E is the main priority. Avoid disturbance to Mariposa Lily populations.
 Trigger Condition: If the fire is anticipated to cross the MAP with South or SW wind predicted to continue or fuels driven fire behavior does not show signs of slowing, and/or receiving long range spotting in the area.
 Probability of Reaching Values: Correct suppression actions are being successful. FS Pro run based on no suppression action shows a 20% or less chance of the fire reaching MAP based on 14 Day F50 Pro run and direct suppression action.
 Contacts: Contact Richard Ingram KNF DV-5, SIS-598-947L, Notify Cal Fire, FWS Timber Rep

MAP XXI Buckhorn/Beaver
 Physical Location of MAP: North of Dry Lake Mtn to east of Beaver Creek
 Values at Risk:
 • Firefighter and Public Safety
 • Industrial Timberlands
 • Range Allotments
 • Heritage sites
 • T&E Species
 Management Intent/Action of MAP: Prepare for and/or implement protection of values at risk by setting priorities and reducing negative impacts from catastrophic fire. Preserving Industrial Timber and T&E is the main priority. Avoid disturbance to Mariposa Lily populations.
 Trigger Condition: If the fire is anticipated to cross the MAP with South or SW wind predicted to continue or fuels driven fire behavior does not show signs of slowing, and/or receiving long range spotting in the area.
 Probability of Reaching Values: Correct suppression actions are being successful. FS Pro run based on no suppression action shows a 90% probability of reaching values.
 Contacts: LOFR will notify AA and AA will contact Rogue Siskiyou Forest Supervisor. LOFR will notify Range permits and ODF.

MAPXII-Horse Creek/Steelhead/Scotts Bar
 Physical Location of MAP: Along Hwy 96 from Horse Creek south to Steelhead and Scotts Bar
 Values at Risk:
 • Firefighter and Public Safety
 • Hwy 96 State of Jefferson Scenic Byway
 • Recreation access/egress for Happy Camp, Seiad valley and Scotts Bar
 • Klamath River
 • River Permittances
 • Spotted Owls and Owl Habitat
 • Fiber Optic Line and power line infrastructure along Hwy corridor
 • Scott River drainage water quality
 Management Intent/Action of MAP: Prepare for and/or implement protection of values at risk by setting priorities and reducing negative impacts from catastrophic fire. Preserving Industrial Timber and T&E is the main priority. Avoid disturbance to Owl and protect their habitat to the extent possible.
 Trigger Condition: If the fire is anticipated to cross the MAP with aggressive fire behavior and does not show signs of slowing, and/or receiving long range spotting in the area.
 Probability of Reaching Values: Direct suppression actions are being successful. FS Pro run based on no suppression action shows a 90% probability of reaching values.
 Contacts: LOFR will notify AA. LOFR will notify FWS Timber, Siskiyou County Sheriff and owners of Infrastructure. IC will notify AA and Yeti Complex IC.

MAPXIII-Yeti Complex
 Physical Location of MAP: West of Buckhorn Ridge to Johnny O'Neil Ridge
 Values at Risk:
 • Firefighter and Public Safety
 • Community Seiad
 • Spotted Owls and Habitat
 • Industrial Timberlands
 • Scott and Klamath River water quality
 • Infrastructure
 Management Intent/Action of MAP: Prepare for and/or implement protection of values at risk by setting priorities and reducing negative impacts from catastrophic fire. Preserving Industrial Timber and T&E is the next priority. Avoid disturbance to Owl and protect their habitat to the extent possible. If fire crosses MAP it will trigger coordination with Yeti Complex Incident Management.
 Trigger Condition: If the fire is anticipated to cross the MAP with aggressive fire behavior and does not show signs of slowing, and/or receiving long range spotting in the area.
 Probability of Reaching Values: Direct suppression actions are being successful. FS Pro run based on no suppression action shows a 50% or less probability of reaching values.
 Contacts: LOFR will notify AA. LOFR will notify FWS Timber, Siskiyou County Sheriff and owners of Infrastructure. IC will notify AA and Yeti Complex IC.

MAPXIV-Scotts Bar
 Physical Location of MAP: North and south of headwaters of Mill Creek
 Values at Risk:
 • Firefighter and Public Safety
 • Community Scotts Bar and Mill Creek Residents
 • Spotted Owls and Habitat
 • Industrial Timberlands
 • Scott River water quality
 • Private structures and residents
 • Infrastructure
 • Access/egress compromised for the Horse Creek, Seiad, Happy Camp,
 Management Intent/Action of MAP: Prepare for and/or implement structure defense by setting priorities and reducing negative impacts from catastrophic fire. Preserving Industrial Timber and T&E is the next priority. Avoid disturbance to Owl and protect their habitat to the extent possible. If fire crosses MAP it will trigger coordination with Siskiyou County Sheriff for evacuations.
 Trigger Condition: If the fire is anticipated to cross the MAP with aggressive fire behavior and does not show signs of slowing, and/or receiving long range spotting in the area.
 Probability of Reaching Values: Direct suppression actions are being successful. FS Pro run based on no suppression action shows a 50% or less probability of reaching values.
 Contacts: LOFR will notify AA. LOFR will notify FWS Timber, Siskiyou County Sheriff and owners of Infrastructure. IC will notify AA.

MAPXV-Montague/Yreka
 Physical Location of MAP: Humburg Creek
 Values at Risk:
 • Firefighter and Public Safety
 • Community Montague and Yreka
 • Industrial timberlands and timber products
 • Private inholdings/structures and residents
 • Infrastructure
 • Air lands
 • Railroad
 Management Intent/Action of MAP: Prepare for and/or implement structure defense by setting priorities and reducing negative impacts from catastrophic fire. Preserving Industrial Timber is the next priority. If fire crosses MAP it will trigger coordination with Siskiyou County Sheriff Yreka Police for evacuations.
 Trigger Condition: If the fire is anticipated to cross the MAP with aggressive fire behavior and does not show signs of slowing, and/or receiving long range spotting in the area.
 Probability of Reaching Values: Direct suppression actions are being successful. FS Pro run based on no suppression action shows a 5% or less probability of reaching values.
 Contacts: LOFR will notify AA. LOFR will notify FWS Timber, Siskiyou County Sheriff and owners of Infrastructure. IC will notify AA, railroad, CHP, Cal Trans, city of Montague

MAPXXI-Interstate 5-Hornbrook
 Physical Location of MAP:
 Values at Risk:
 • Firefighter and Public Safety
 • Community of Hornbrook and I-5 Corridor
 • Industrial Timberlands
 • Private inholdings/structures and residents
 • Infrastructure
 • Interstate Commerce
 • Railroad
 • Paradise Craggy Lookout and communications infrastructure
 Management Intent/Action of MAP: Prepare for and/or implement structure defense by setting priorities and reducing negative impacts from catastrophic fire. Preserving Industrial Timber is the next priority. If fire crosses MAP it will trigger coordination with Siskiyou County Sheriff, California Highway Patrol, railroad and CalTrans for evacuations and impacts to I-5 transportation and commerce.
 Trigger Condition: If the fire is anticipated to cross the MAP with aggressive fire behavior and does not show signs of slowing, and/or receiving long range spotting in the area.
 Probability of Reaching Values: Direct suppression actions are being successful. FS Pro run based on no suppression action shows a 20% or less probability of reaching values.
 Contacts: LOFR will notify AA. LOFR will notify FWS Timber, Siskiyou County Sheriff, CHP, Caltrans, Cal Fire, Railroad and owners of Infrastructure.
