Safety Message

- Before undertaking each specific task in each specific location, conduct a risk: benefit analysis.
- Benefits must be tied to incident objectives:
 - ensure firefighter/public safety
 - maintain containment
 - facilitate suppression repair
- Each action (or inaction) on a fire is potentially risky. Risk changes as conditions change. Assess whether benefits still outweigh risks based on changing conditions.

COVID-19 PREVENTION INFORMATION

MAINTAINING A HEALTHY WORKFORCE

from the COVID Advisor Team

All fire personnel are susceptible to contracting COVID-19. The health and well-being of all personnel must be a priority throughout the fire season. **Mask use, social distancing, and good hygiene** will support the health of fire personnel and are important ways to **prevent the spread of COVID-19 and maintain the health of all fire personnel.**

Self-Awareness & Daily Health Screening

Separate yourself from others and notify your supervisor if you experience COVID-19 related symptoms (fever or chills, cough - more than expected, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, diarrhea). Supervisors will use COVID precautions and facilitate COVID testing at the identified COVID testing locations.

COVID-19 Testing availability

Siskiyou County Public Health - 1275 South Main St., Unit A, Yreka, CA; (530) 841-2134

Monday-Friday (excluding holidays), 12:30pm-4:30pm; No appointment needed, but can pre-register at www.simplereport.gov.

Self-test kits are also available from the COVID advisor. Priority will be given to those with symptoms or a COVID exposure.

If you test positive, isolate yourself and contact your supervisor and Patrick Yamnik (COVID Advisor) at 505-427-3361.

Sanitary and Personal Hygiene Practices

Rigorous sanitary practices are important for reducing the transmission of infectious diseases. All personnel should cover their coughs and sneezes. Perform proper hand hygiene including handwashing or hand sanitizer use after touching potentially contaminated surfaces, removing face coverings, after using the restroom, and before eating or putting anything in their mouth.

Mask Wearing

Mask wearing will be required when the Siskiyou County community level is high. The Siskiyou County community level for the week of August 28, 2022 - September 3, 2022 is **Medium**.
