

INCIDENT OBJECTIVES	1. Incident Name Elk Complex	2. Date 07/16/2007	3. Time 2100
4. Operational Period Day Shift 0600 - 2100 07/17/2007			
5. General Control Objectives for the Incident (include alternatives) Provide for Firefighter and Public Safety, by adhering to the risk management process. Protect communities of Happy Camp, Hamburg and Elk Creek. Keep the fires West of the Scott River, Klamath River and Horse Creek line. Keep the fires East of the Six Rivers National Forest. Keep the fires North of Pigeon Roost. Keep the fires South of the Rouge River and Klamath Forest boundary. Utilizing risk management processes, provide direct suppression where practical. Ensure ground and aviation suppression actions are coordinated and timely.			
6. Weather Forecast for Period See attached spot weather forecast.			
7. General Safety Message Stay aware of the surrounding environment. Current burning conditions and fire behavior are representative of late July burning conditions. Other hazards to be aware of are steep, rocky terrain, rolling materials, and very hazardous driving conditions. Be aware of hazards around communities and structures.
