

Management Objectives

- Utilizing the risk management process, ensure incident actions reflect commitment to emergency personnel and public safety
- Foster and maintain relationships with all cooperators and stakeholders
- Protect the communities of Baldwin Lake, Lucerne Valley, and Big Bear City
- Protect values at risk including powerlines, Highway 18, the Holcomb-Baldwin Special Interest Area, and the North Big Bear Project
- To the extent possible, protect natural habitats for threatened and endangered species
- Maintain fiscal accountability and keep costs commensurate with values at risk
- Maintain initial attack readiness within the TFR and assist as needed outside the TFR
- Ensure coordinated, timely, and accurate release of public information.

Control Objectives

- Keep the fire north of 3N16
- Keep the fire south of Marble Canyon
- Keep the fire east of the 3N54
- Keep the fire west of 3N02
