## THOMAS INCIDENT

17-CA-VNG-103156 - December 12, 2017 - 0700 TO 0700

### COMMUNICATION RESPONSIBILITIES

All firefighters have **five** communication responsibilities:

- 1.) Brief others as needed.
- 2.) Debrief your actions.
- 3.) Communicate hazards to others.
- 4.) Acknowledge messages.
- 5.) Ask if you haven't been briefed or are unclear.

### Leadership

All leaders of firefighters have the responsibility to provide complete briefings including a clearly stated "Leader's Intent."

<b>Task</b>	=	<b>What</b> is to be done
<b>Purpose</b>	=	<b>Why</b> it is to be done
<b>End State</b>	=	How it should <b>look</b> when done

### Night Shift Operations

**Briefings:** Ensure all know and understand the plan;

**Steep Slopes:** Make sure no one is working above or below you

**Trees:** Be sure trees have been evaluated before working around or under them, and limit exposure time and numbers;

**Driving:** Have a purpose in mind, is the trip necessary;

**Complacency:** As things wind down, idle time can lead to idle minds and resultant increased safety concerns. Avoid High Risk Operations at night

### Driving

When driving, keep speed at or **below** the posted speed limit. Use caution around train crossings.

Drive defensively! Expect the unexpected around every curve.

Watch out for debris and wildlife on the roads.

Don't tail gate, keep a safe distance between vehicles on dirt roads.

Always fasten your seat belt before the vehicle is set into motion.

Use a "Backer" when backing your vehicle. Do a walk around if a "Backer" is not available.

Remember, the Locals Drive Faster and are Distracted, be cautious in and around town.

# THOMAS FIRE INFORMATION

Fire Information Line: (805) 465-6650

Media Line (925)588-6904

## MEDIA

California State Penal Code Section 409.5(d) allows the news media to enter scenes of disaster, riot, or civil disturbance. Properly identified members of the news media should not be restricted from entering the locations specified within the code, even if the area presents a danger to them. Media members should be advised of the nature of possible danger. Members of the media do not have the right to access crime scenes or any area where their presence may interfere with incident operations, mitigation or evidence collection.

- The media may only access private property with the property owner's permission. Fire personnel cannot provide members of the media with authorization to enter private property.
- If approached and questioned by the media and/or the public, talk about your assignment or task at hand. If need be, direct the questioning party to the incident PIO.
- Do not speculate or give opinions
- There is no such thing as an "off the record" comment.

## CAL FIRE SOCIAL MEDIA POLICY (Social Media 0691)

Social Media is increasingly being used by public agencies and the media as well as the public. This form of communication continues to grow rapidly in order to supply the public's desire for instant information gratification. All personnel assigned to a CAL FIRE incident will adhere to the CAL FIRE Social Media Policy. Further information about the CAL FIRE Social Media Policy can be obtained from the Information Officer. If you are uncertain, please ask. **Do not post:**

- Inappropriate information, pictures or videos
- Opinions regarding the incident or policy
- Endorsements of any kind

## PICTURES AND VIDEO OF INCIDENT

We are in a new era of media. Media no longer means the news/broadcast industry but now refers to anyone that has the capability to shoot video and or photographs and post them onto social media in a matter of minutes. Unfortunately we have seen some instances of video or photographs that have depicted unsafe, unprofessional or embarrassing circumstances which are a serious breach of ethics. When this happens it reflects poorly on all that are attached to this incident. Posting an inappropriate video, photo or blog comment could have unwanted effects. It may be unsafe to shoot photos or video and a firefighter who is concentrating on a camera can't be looking up, down and all around.

## LOST AND FOUND

The Information staff will manage *Lost and Found* items for the incident. If you have lost an item, leave your contact information and what you have lost at the Information trailer. If you have found an item on the incident, bring the item to the Information trailer.
