INCIDENT OBJECTIVES (ICS 202)

1. Incident Name: <p style="text-align: center;">AIRPORT</p>	2. Operational Period:	Date From: 12/4/2020 Time From: 0700	Date To: 12/5/2020 Time To: 0700
--	-------------------------------	---	-------------------------------------

3. Objective(s):

Management Objectives

- Provide for emergency personnel and public safety at all times.
- Ensure COVID-19 precautions and best practices are met at all times.
- Protect property, improvements, and infrastructure.
- Ensure coordinated, timely and accurate release of public information.
- Foster and maintain relationships with all cooperators and stakeholders.
- Protect economic, natural, cultural and heritage resources.
- Maintain fiscal accountability and keep costs commensurate with values at risk.

Control Objectives

- Keep the fire North of Prado Dam
- Keep the fire South of Big Spring Ct.
- Keep the fire East of Hwy 71
- Keep the fire West of Rincon St.

General Situational Awareness:

Tree torching is creating embercasting across the line. Strong winds and low RH will aid spot fires becoming established.

In the COVID-19 environment, high density populations or large groups are particularly at risk. To help protect yourself, your family and to ensure all employees return home safely, make sure to practice social distancing.

Enhanced hygiene (especially handwashing), PPE & monitoring practices help limit the infection rate of first responders.

HEADS UP!!! Lookout for SNAGS when working around areas with burned trees. Evaluate all wind damaged trees with large limbs before working under or around them.

Avoid complacency!!!! It is well documented that serious injuries have occurred on fires in the mop up phase.

Ensure radios are properly programmed for today's IAP and that crews are trained in communications procedures for the incident.

Maintain situational awareness. Look up, Look down, Look around. Watch out for ash pits and stump holes.

Stay hydrated!!! Time to think = time to drink. Document rest and hydration on 214.

Stay situationally aware! LCES!

Be aware of rotary wing aircraft dropping in all divisions.

COVID Please follow Covid 19 protocol. Social distance when you can. Wear your mask when appropriate. Frequent hand washing / sanitizing.
