6. Work Assignments:		0						
TASK: Restore roads, dozer lines and dra	inage sys	tems. F	Reduce visual impacts of the	e fire lines. M	onitor the fire'	s edge.		
PURPOSE: Minimize potential for erosion	and sedi	ment de	elivery to water courses.					

END STATE: To restore firelines and transportation routes back to prefire conditions as reasonably possible.

RISK ASSESSMENT: Stay alert for drivers in the fire area and in restricted areas. Watch for snags and rollout onto roads and working aroundheavy equipment.

7. Special Instructions:

- -All medical resources MUST check in with Los Padres Dispatch and Division Supervisor once in place.
- -READs and the BAER Team will check in and out with Division.
- -Assume all Divisions have Sudden Oak Death Pathogen and clean and disinfect everything. Weed wash is available at Mission ICP.
- -For Mop up and Patrol Do not go off the road (UXO).
- -Utilize Collector to mark all accountable property (pumps, hose, tanks...), attach a picture of the serial number with the LAT and LONG.
- -Use call outs when traveling on Nacimiento Ferguson Road.
- -INITIAL ATTACK RESOURCES will maintain a state of readiness for response. All responses will be initiated by Los Padres Dispatch. Resources will notify their DIVS if they are dispatched. Once the resource is cancelled/released they will return to the incident and notify comms that they are back in their division.

6. Work Assignments:											
TASK: Repair surfaces that were used	d for past sup	oressio	n activities.								

PURPOSE: Minimize potential for erosion that would further damage road surfaces.

END STATE: To restore roads back to prefire conditions as reasonably possible.

RISK ASSESSMENT: Be alert of narrow winding roads with multiple repair vehicles operating in close proximity.

7. Special Instructions:

- -All medical resources MUST check in with Los Padres Dispatch and Division Supervisor once in place.
- -READs and the BAER Team will check in and out with Division.
- -Assume all Divisions have Sudden Oak Death Pathogen and clean and disinfect everything. Weed wash is available at Mission ICP.
- -Contact 911 for medical emergencies.
- -Utilize Collector to mark all accountable property (pumps, hose, tanks...), attach a picture of the serial number with the LAT and LONG.
- -Use call outs when traveling on North Coast Ridge Road.
