

Structure ID	Comments	Latitude	Longitude
15	Small Helicopter Pad With Wind Sock-Not approved as a helispot for incident	36° 27.23206162' N	118° 36.11011894' W
41	Defensible-stand alone. SZ present. Connect exterior with tin roof.	36° 26.82067107' N	118° 35.63743995' W
42	Defensible-prep and hold. SZ present. Water source (river approx 500').	36° 26.84565686' N	118° 35.62749283' W
43	Defensible-prep and hold. SZ present. Water source (river approx 500').	36° 26.86891030' N	118° 35.63185751' W
44	Defensible-prep and hold. SZ present. Brush near structure. Water source (river approx 50').	36° 26.95047697' N	118° 35.70916220' W
45	Defensible-prep and hold. SZ present. Trees near house, wood shingle roof, wood siding. Water source (river approx 200').	36° 26.96170502' N	118° 35.75976186' W
46	Defensible-prep and hold. SZ present. Trees near by. Tin roof, wood siding. Water source (river approx 200').	36° 26.97662887' N	118° 35.75733803' W
47	Defensible-prep and hold. SZ present. Tin roof wood siding. Water source (river approx 200').	36° 26.98336714' N	118° 35.75701496' W
48	Defensible-prep and hold. SZ present. Trees near structure but no ladder fuels. Tin roof, wood siding. LPG tank. Water source (river approx 200').	36° 26.99622265' N	118° 35.77425752' W
49	Defensible-prep and hold. SZ present. Grass and shrub around structure. Prior hand line in place. Wood shingle roof, wood siding. LPG tank. Water source (river approx 200').	36° 27.00628990' N	118° 35.76381931' W
50	Defensible-prep and hold. SZ present. Wood shingle roof, wood siding. Grass and scarce shrub, tree. Water source (river approx 50').	36° 27.02057363' N	118° 35.77535607' W
51	Defensible-prep and hold. SZ present. Wood shingle roof, wood siding, some shrub near wood deck. Water source (river approx 500').	36° 26.98504633' N	118° 35.78310975' W
52	Defensible-prep and hold. SZ present. Shrubs and tree near house. Tin roof, wood siding. Water source (river approx 700').	36° 26.97140244' N	118° 35.78585470' W
53	Defensible-prep and hold. SZ present. Shrubs against wood deck. Tin roof, wood siding. LPG tank. Water source (river approx 50').	36° 27.04984484' N	118° 35.77191333' W
54	Defensible-prep and hold. SZ present. Low grass and trees near structure. Wood shingle roof. LPG tank. Water source (river approx 50' away).	36° 27.05453446' N	118° 35.76492564' W
55	Defensible-prep and hold. SZ present. Wood rounds approx 20' from structure. Tin roof, wood siding, LPG tank. Water source (river approx 500').	36° 27.05738685' N	118° 35.75331446' W
56	Defensible-prep and hold. SZ present. Low grass with some shrub near house. Tin roof, wood siding, LPG tank. Water source (river approx 1000').	36° 27.06404341' N	118° 35.73781456' W
57	Defensible-prep and hold. SZ present. Low grass and some shrub near structure. Tin roof, wood siding, LPG tank. Water source (river approx 500').	36° 27.08265787' N	118° 35.79891102' W
58	Defensible-prep and hold. SZ present. Grass and shrub near house. Wood shingle roof, wood siding, LPG tank. Water source (river approx 200').	36° 27.08248206' N	118° 35.81234606' W
59	Defensible-prep and hold. SZ present. Bare soil. Wood shingle roof, wood siding, LPG tank. Water source (river approx 800').	36° 27.09580394' N	118° 35.79867438' W
60	Defensible-prep and hold. SZ present. Tree grove. Tin roof, wood siding, LPG tank. Water source (river approx 500'). Barboni Cabin built 1905	36° 27.17308364' N	118° 35.81405293' W
77	Defensible prep and hold. Structure cabin # 25. Wood siding metal roof. No clearance. Needs hand line, fuels reduction and hose lay.	36° 26.86877746' N	118° 35.74240009' W
78	Defensible prep and hold. Honeymoon Point Cabin. All wood construction. No clearance. Needs hand-line and fuels reduction. Water source river 20' from cabin.	36° 26.87719867' N	118° 35.70991175' W
79	Defensible prep and hold. Cabin. All wood construction. Wooden deck on three sides. 10 to 20' clearance. Needs hand line, fuels reduction and hose lay. 120 gal LPG tank on deck.	36° 26.96077301' N	118° 35.76437740' W
80	Defensible prep and hold. Cabin #20 Little Cabin 1933. Wood siding metal roof. 5' to 25' clearance. Needs minor fuels reduction and hose lay. Remove firewood. 150 gal LPG tank.	36° 26.97103497' N	118° 35.77062358' W
81	Defensible prep and hold. Cabin #21 Thomas A. Pogue. All wood construction. 15' to 30' clearance. Hand line fuels reduction and hose lay needed. LPG tanks.	36° 26.97956690' N	118° 35.77909767' W
82	Defensible prep and hold. -LPG Tank. Cabin #37 Senator Boone 1907. All wood construction minimal clearance. Hose lay and hand line needed.	36° 27.06797924' N	118° 35.78048569' W
83	Defensible prep and hold. Cabin. Wood siding metal roof. No clearance. Needs fuel reduction and hose lay. LPG tank.	36° 27.07917663' N	118° 35.79331503' W
84	Defensible prep and hold. Cabin #7. Wood siding metal roof. No clearance. Needs fuels reduction and hand line. LPG tank.	36° 27.18880933' N	118° 35.81957716' W
