

Leaders Intent:

An aggressive full suppression strategy will be implemented using direct tactics when safe to do so. Efforts will be made to minimize impacts to residences, the giant sequoia groves, and critical infrastructure through the application of well-planned tactical responses.

Management Objectives:

- Ensure that strategies and tactics provide for firefighter and public safety through the application of sound risk management principles.
- Minimize the threat to private and public property located on the Tule River Reservation, local communities, Peppermint Work center, giant sequoia groves, California Spotted Owl and Goshawk PACs, cultural resources, and the Slate Mountain Botanical Area.
- Establish and enhance cooperator, partner, and stakeholder relationships.
- Follow identified CDC, local, state, and federal procedures to minimize the spread of COVID-19.
- Minimize the cost of the incident by employing tactics that have the highest probability of success while minimizing firefighter exposure.

Control Objectives:

- Keep the fire north of HWY 155
- Keep the fire south of Western Divide HWY 190.
- Keep the fire east of Cow Mountain Peak, Oak Flat Peak, and Gibbon Peak.
- Keep the fire west Kern River.
