

Prescribed Burning LMR Determinations

Last Approved Year:
2023

WHF-ATS-03

**Conditionally
Approved**

ONLM COMMENTS:
2019: Approved for test of growing season RxB; Recommend low intensity, non-scorching surface fires to maintain tree oaks in pine-oak forest

ENSP COMMENTS:
2019: Please advise DFW staff of burn schedule

HPO COMMENTS:
no response

SFS COMMENTS:
Notify SFS if possible prior to activity so SFS inventory contractors in area can be notified for safety.
