

Prescribed Burning LMR Determinations

Last Approved Year:
2023

WHF-HC-01-B

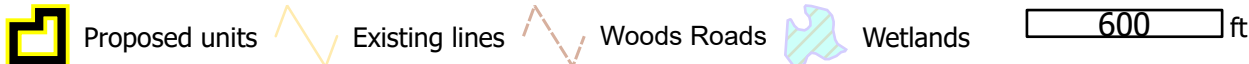

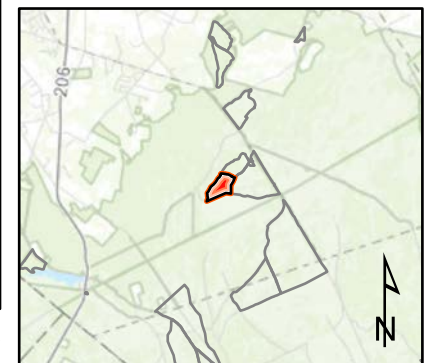

**Conditionally
Approved**

ONLM COMMENTS:
2018: 01-B - use revised polygon; low to moderate intensity fire recommended; OK to replot 2 existing plowlines in uplands and limited wetlands

ENSP COMMENTS:
Restrict burns to Nov. 15 – March 15 to avoid adverse impacts to E&T species. Pls contact Kris Schantz prior to burn w/ anticipated burn dates to facilitate ENSP post-burn survey work. Abandon PL's?
