

# Prescribed Burning LMR Determinations

Last Approved Year:  
**2023**

## **MRW-RMS-03**

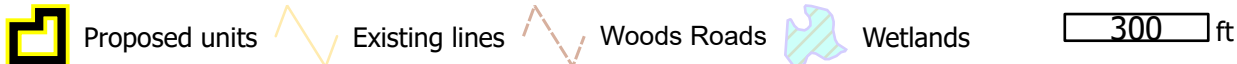

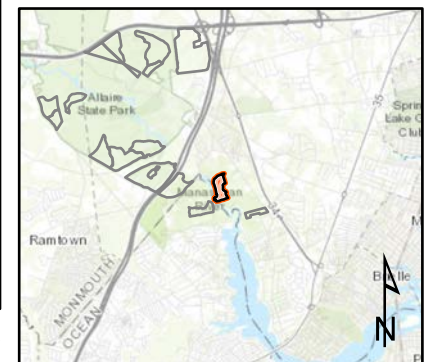

**Conditionally  
Approved**

**ONLM COMMENTS:**  
2019: Proceed with phragmites burn without conditions, but recommend low intensity RxB in forested bluffs due to presence of wetlands and potential for swamp pink

**ENSP COMMENTS:**  
no comment

**HPO COMMENTS:**  
no response

**SFS COMMENTS:**  
no comment
