

Incident Objectives	1. Incident Name <p style="text-align: center;">HAM LAKE</p>	2. Date Prepared <p style="text-align: center;">05/10/07</p>	3. Time Prepared <p style="text-align: center;">1514</p>															
4. Operational Period <p style="text-align: center;">05/11/07 Friday DAY Shift 0630 - 2000</p>																		
5. General Control Objectives for the incident (include alternatives) <ol style="list-style-type: none"> 1. Ensure the safety of all personnel both public and assigned through use of the Incident Safety Analysis (ICS 215A) process and by continually applying the Risk Management Process (IRPG page 1). Ensure appropriate fatigue management. 2. The primary suppression objective is to protect structures and improvements on the upper Gunflint Trail. 3. Minimize impacts on wilderness and historical resources by incorporating wilderness management objectives and appropriate resource concerns. 4. Keep the public and cooperators well informed with daily updates, press releases, display boards and informational meetings. 5. Implement cost effective strategies within the limits determined by the WFSA. 																		
6. Weather Forecast for Period Refer to Fire Weather Forecast.																		
7. General Safety Message Refer to Safety Message.
