<b>Date and Time Products Delivered to Incident:</b> 7/18/16 @ 0430 MDT		<b>Digital files sent to:</b> <a href="ftp://ftp.nifc.gov/incident_specific_data/n_rockies/2016_fires/Fleck/20160718/IR/">ftp://ftp.nifc.gov/incident_specific_data/n_rockies/2016_fires/Fleck/20160718/IR/</a> emailed to aowens@blm.gov	
<b>Comments /notes on tonight's mission and this interpretation:</b> This was the first night of mapping this fire, The incident provided a perimeter, otherwise I would not have been able to find the fire area as the IR imagery did not show any heat, none in the raw data, and one possible area on the southwest side of the fire that was marked on the map.
