MAP	Condition	Action
1	Fire establishes itself beyond the MAP or is expected to cross the MAP within the next burning period.	Consider evacuations of the Blind Stream area.
2	If fire approaches MAP 2.	Contact Dano Jauregui at 435-315-5687 on the UWC.
3	If fire comes within 1 mile of MAP 3.	Consider evacuations and extending area closures east of the Lake Fork Trail.
4	If fire crossed the Wilderness boundary.	Consider evacuations of the remaining campgrounds in Rock Creek: Yellow Pine, Miner Gulch and Rock Creek Group Site.
5	Fire establishes itself beyond the MAP or is expected to cross the MAP within the next burning period.	Implement East Fork Fire Protection Plan Zone 1: Upper Stillwater/Rock Creek.
6	Fire establishes itself beyond the MAP or is expected to cross the MAP within the next burning period.	Implement East Fork Fire Protection Plan Zone 1: Upper Stillwater/Rock Creek.
7	Fire establishes itself beyond the MAP or is expected to cross the MAP within the next burning period.	Order Type 1 Helicopter (high performance to operate at 10,000 ft + elevations) if not currently available.
8	Fire establishes itself beyond the MAP or is expected to cross the MAP within the next burning period.	Order Type 1 helicopter (high performance to operate at 10,000 ft + elevations) if not currently available.
9	Fire establishes itself beyond the MAP or is expected to cross the MAP within the next burning period.	Order Type 1 helicopter and 1 Type 3 helicopter with PSD, (both with high performance to operate at 10,000 ft + elevations) if not currently available.

The map displays a topographic view of the East Fork region, divided into six fire divisions: Div B, Div G, Div M, Div R, Div X, and Div Z. The Center Creek Trail is a prominent feature running through the center. Various markers are placed across the map, including helispots (H-1, H-2, H-3, H-4, H-5, H-10, H-15), drop points (DP-21, DP-23, DP-24, DP-46, DP-50, DP-52, DP-62, DP-90), and repeaters (H-1, H-2, H-3, H-4, H-5, H-10, H-15). A legend in the top left corner defines symbols for bridges, drop points, fire origins, helispots, repeaters, sling sites, water sources, value at risk, division breaks, wildfire daily fire perimeters, uncontrolled fire edges, completed hand lines, management action lines, Bureau of Indian Affairs (BIA), US Forest Service (USFS), and private land. A scale bar indicates distances up to 4 miles. A coordinate grid is overlaid on the map, with latitude and longitude coordinates ranging from 110°50'W to 110°15'W and 40°26'N to 40°46'N. A north arrow is located in the bottom left corner. A text box in the bottom left corner provides information about the map's date (9/10/2020), source (2002), and coordinate system (NAD 1983 UTM Zone 12N North American 1983).
