The map displays a topographic view of the East Fork region, divided into several management divisions: Div B, Div X, Div Z, Div G, Div M, and Div R. A prominent red line indicates the wildfire perimeter, with a specific point marked '08/21/20 1035'. The Center Creek Trail is shown as a major feature. Various markers are placed across the map, including Helispots (H-1, H-2, H-4, H-5, H-10, H-15), Drop Points (DP-21, DP-23, DP-24, DP-46, DP-50, DP-52, DP-62, DP-90), and Repeaters. A legend in the top left corner defines symbols for bridges, drop points, fire origins, helispots, repeaters, sling sites, water sources, values at risk, division breaks, uncontrolled fire edges, completed hand lines, management action points, wildfire daily fire perimeters, Bureau of Indian Affairs (BIA) land, US Forest Service (USFS) land, and private land. A scale bar and a north arrow are also present. The map is overlaid with a coordinate grid showing latitude and longitude.
