

Main Folder

Ely District Maps on the NIFC FTP

All QR Codes have been updated to use the ftp.wildfire.gov address that went live on 4/16/2021

Benchmark Map – Nevada

VERY Large. Scan directly into Avenza for best results. Will take a while to download and process. Keep phone/tablet awake during the process or it will fail.

Benchmark Map – Utah

VERY Large. Scan directly into Avenza for best results. Will take a while to download and process. Keep phone/tablet awake during the process or it will fail.

Ely Map Book Locator Map

Use this locator map to determine which map quads you need to download from the FTP. Can be used as the base map in an Avenza Map Collection.
