AREA DESCRIBED:

All National Forest System Lands located along the Wasatch Front foothills within Weber County that are on or below the 5,200 foot elevation or within ½ mile of any structure on the east bench in Weber County located in Township 4 North, Range 1 West, Section 1; Township 5 North, Range 1 West, Sections 2, 11, 14 and 24; Township 6 North, Range 1 West, Sections 10, 14, 23, 26, and 35; Township 7 North, Range 1 West, Sections 22, 23, 26, 34, and 35; Township 8 North, Range 2 West, Section 36 all within the Salt Lake Based Meridian as shown on the attached map.

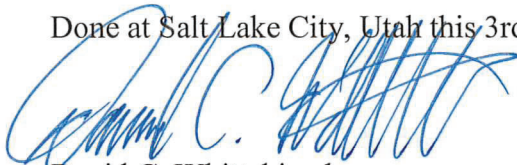

PURPOSE:

Purpose of the closure is to reduce the Wildfire Risk in the foothills along the Wasatch Front in Weber and Box Elder County which is primarily high to extreme based on the State of Utah's Wildfire Risk Assessment Portal (UWRAP) data. The Wildfire Risk represents the possibility of loss or harm occurring from a wildfire and combines the likelihood of a fire occurring (Threat) with those areas of most concern that are adversely impacted by fire (Fire Effects). The High to Extreme Risk rating in this area is driven by: 1) the proximity to the wildland urban interface, 2) a high probability of fire occurrence, 3) suppression difficulty due to steep terrain and a mix of flashy fuels and shrubs (primarily cheat grass and gambel oak), and 4) a high potential to negatively impact drinking water.

IMPLEMENTATION:

1. This Order will be in effect when signed June 1st, and shall remain in effect through November 15th annually or until rescinded.
2. Attached map shows the area affected by this Order.
3. Violation of the above prohibition(s) is punishable by a fine of not more than \$5,000 for an individual, or \$10,000 for an organization and/or imprisonment for not more than 6 months imprisonment. [Title 16 USC 551, Title 18 USC 3571(b) (6), Title 18 USC 3581(b) (7).
