

Jarbridge Field Office
Fire Constraint Map

2013 South Central Idaho Interagency Fire Center Fire Suppression Constraints	
Resource	Constraints
Buried Gas Pipeline	No dozer use.
Sage-grouse Priority Suppression Area**	- Protect sagebrush.
**Sage-grouse Priority Suppression Area Constraints the same as BLM & USFS lands	
National Historic Trails	- Do not burn out interior sagebrush islands except as needed to maximize public and firefighter safety.
LEPA (Slickspot Peppergrass) Occupied Habitat*	- No dozer use within 1/8 mile (660 ft.) of trails.
Bull Trout Critical Habitat*	- Although MST is preferred, aggressive fire suppression tactics (e.g. dozer lines, back fires, etc.) may be applied if LEPA populations are threatened.
Wilderness Study Areas (WSA)*	- Do not locate fire base camps, staging areas, and fueling areas in LEPA occupied habitat.
Monuments/NPS Units*	- No dipping or drafting from streams without verbal approval from a resource advisor.
Cultural Site Nearby	- No in-stream activity without verbal approval from a resource advisor.
Bruneau-Jarbridge Wilderness*	- No dozer use without Field Manager approval.
Retardant Avoidance Areas	- No dozers without Park Superintendent approval.
General Constraints	- No retardant without Park Superintendent approval.
Live Streams	- Avoidance Area Contact Architectologist.
Snake River Canyon	- No dozers, heavy equipment, or helispot construction without State Director approval.
All Surface Water (Rivers, streams, lakes, etc.)	- Foot traffic and hand tools only - no approval needed.
	- No mechanized or motorized activity without approval.
	- No retardant without approval.
	- See Delegation of Authority (p. 2) for approval levels.
	- No use of retardant within aquatic avoidance areas or within 300 feet of surface water on FS lands**
	- No use of retardant within terrestrial avoidance areas**
	**The only exception to using retardant in an avoidance area is a threat to life/safety. Using retardant to defend structures where there is no risk to safety is a deviation from policy.

Authorized Personnel	Authorized Personnel
Helicopter Bucket Work and Water Delivery	BLM Field Office Manager / FMO,
MotORIZED Water Pumps	USFS Forest Supervisor
Aerial Retardant Application	
Air Transport/Personnel Shuttle and Supply Drops	
Chimney	
Motor Vehicles	
Engines	
Transports	
Crew Trucks	
ATV/UTV	
Handcut Construction	
Dozers	
Heavy Equipment
