These QR codes are to be use for **Administration Use Only!** Please do not share with unauthorized personnels. All downloads capture individual IP addresses and can be track back if abused.

The following are QR codes for digital downloads of U.S. Forest Service Region One Forest Visitor Maps(FVM) and wilderness maps with the use of Avenza Maps- Offline Mapping app (available on iOS or Android devices in associated App Store or Play Store) for free.

## HOW TO:

Use a QR code scanner or the use the built in scanner in Avenza Maps.

- 1) Scan the code
- 2) Select the "FREE" tab and click "Download?" to begin the processing of your map.
- 3) Select "Open Map" and your map will be available to view and navigate.

For additional information for all things Avenza and current Forest Service Pro license, please click the Northern Region Avenza SharePoint.
