

2017 ECLIPSE

Make memories, not wildfires!

The eclipse is expected to attract millions of visitors, many of whom may be unfamiliar with public and private forestland boundaries in Oregon. During your stay, please be respectful of our beautiful state and what it has to offer.

Know fire risks and respect fire restrictions, such as campfire bans.

Sky lanterns (mini hot air balloons) are illegal in Oregon airspace.

Do not park, idle or drive on dry grass as your vehicle can start a wildfire.

Do not use candles, fireworks, tiki torches, or other open flames outdoors.

PACIFIC NORTHWEST
FIRE ADAPTED
COMMUNITIES

Check websites and bulletin boards to make sure fires are allowed.

Gas stoves, grills and lanterns are allowed at any time of the year.

If portable grills are allowed, safely dispose of cold ashes and coals in a fire-proof container.

Never leave a warm campfire. Drown the fire with water, stir the coals, and drown again. Repeat until it is out cold.

Dispose of smoking materials in deep, sturdy ashtrays, never on the ground or in vegetation.

Be prepared to put out a fire. Pack a fire extinguisher, water and a shovel.
