

# 2017 ECLIPSE

*Make memories,  
not wildfires!*

## FIRES BANNED DUE TO WILDFIRE DANGER

Check websites and bulletin boards for fire restrictions in effect.

Campfires are allowed only in fire rings at developed campsites.

### Fire alternatives

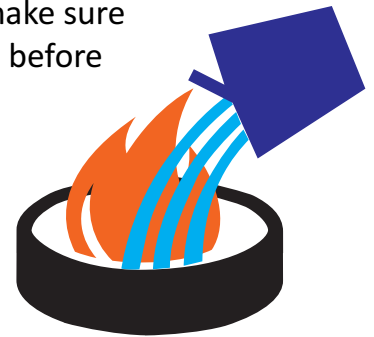

Use gas stoves, grills and lanterns.

If portable grills are allowed, safely dispose of cold ashes and coals in a fire-proof container.

Even in a fire ring, make sure your fire is dead out before leaving.

Drown, stir and drown again.

Pack a fire extinguisher, water and a shovel.

Be prepared to put out a fire.
