

2017 ECLIPSE

*Make memories,
not wildfires!*

FIRES BANNED DUE TO WILDFIRE DANGER

Check websites and bulletin boards for fire restrictions in effect.

Campfires are allowed only in fire rings at developed campsites.

Campfire alternatives

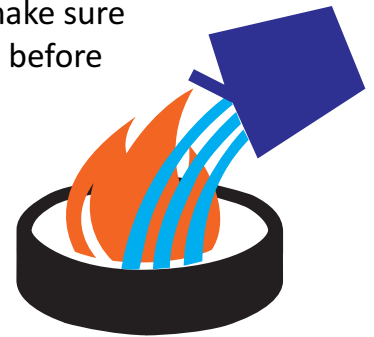

Use gas stoves, grills and lanterns.

If portable grills are allowed, safely dispose of cold ashes and coals in a fire-proof container.

Even in a fire ring, make sure your fire is dead out before leaving.

Drown, stir and drown again.

Pack a fire extinguisher, water and a shovel.

Be prepared to put out a fire.
