**If they are allowed**, never leave fires or hot coals unattended. Always make sure your fire is dead out before you leave.

When restricted, smoking is allowed only in an enclosed vehicle on improved roads. Always use an ashtray.

Fireworks are prohibited on public lands in Oregon and Washington. Enjoy fireworks at community events instead.

Use properly functioning spark arrestors and stay on designated roads and/or trails.

Make sure your trailer chains are not dragging and creating a spark that can ignite nearby vegetation.

Do not park, drive or idle on dry, flammable vegetation. Your vehicle could start a wildfire.

Sky lanterns (mini hot air balloons) are illegal to release into Oregon airspace and in most areas in Washington.

Call 911 to report a wildfire. Be prepared to provide your location and contact information.
