HOME FIRE ESCAPE PLAN

Tips for creating and practicing your escape plan:

- Everyone in your household should know two ways to escape from each room in your home.
- Have an outside Meeting Place (like a tree, light pole or mailbox) a safe distance from the home where everyone should meet.
- Practice your home fire drill at night and during the day with everyone in your home, twice a year.
- If the smoke alarm sounds, **GET OUT AND STAY OUT.** Never go back inside for people or pets.
- Call the fire department from outside your home.
