

Central Oregon Eclipse Prevention Education Team Daily Report

August 12, 2017
Prineville, Oregon

Judy Reese	AK-AKS	Team Leader
Meg Cicciarella	AK-KKS	Team Member-PIOF
Taya Much	AK-MSS	Team Member Trainee
Quintan Hecimovich	AK-CGF	Team Member Trainee

- ✦ The day's safety message was on First Aid and CPR and a brief overview/reminder on how to start and continue CPR either as an individual or as a team.
- ✦ Continued to sift out issues and incorporate teaching moments in Google Drive. The daily report was compiled and completed and distributed to agency liasons.
- ✦ Sign materials were prepared for the Grasslands and Southern Ochoco NF trap line. The FPET team was split into two. The CRN Grasslands team put up seven different signs covering 300 miles with no public contacts made. The Southern Ochoco team put up the Post, Paulina and Rager signs, covering 240 miles. Contacts included 8 public, 2 cooperator and 1 business.
- ✦ Phase two of sign and banner posting for the Ochoco NF and CRN Grasslands was organized and planned.
- ✦ A large delivery of eclipse of information and materials arrived from the Portland office, thanks to Lidiana Soto and Karen Curtiss.
- ✦ The job hazard analysis had been signed by all and forwarded to the team's agency liason.
- ✦ Information board deployment was planned in response to Heather at the Newberry division. Preparation and implementation will occur over the next two days.
