- ✦ The day's safety message was on observing the eclipse and driving safety, including things to look for and to do, when to take a break or even switch drivers.
- ✦ Compiled procurement needs for sign hanging and miscellaneous paperwork.
- ✦ Five signs mounted and staked in the CRN Grasslands and Ochoco National Forest. 150 miles driven and 7 public contacts were made between Redmond and Madras.
- ✦ Met with Albert Charlie and Jeff Moyer from Warm Springs BIA on team activities, materials available and mutual support.
- ✦ Participated in the Northwest Prevention team conference call discussing preparedness and activities around the state.
- ✦ Job Hazard Analysis (JHA) was up-dated and sent to Stacey Forson for final approval.
- ✦ All Prevention and Eclipse materials were inventoried for distribution to information booths, district offices, and to community businesses.
- ✦ Twelve sets of information board materials were prepared and processed for the Newberry Division, Deschutes National Forest.
