**Safety Message: Road safety commuting between eclipse and forest locations.**

*Prepare, plan and confer with available reference resources on congestion, timelines, hazards and closures. Stay cool mentally, emotionally & physically, if things do not go as planned.*

- ✚ PETM trainees Taya Much and Quintan Hecimovich relocated to field information booths and welcome stations for local capacity/support. Familiarization and set-up were their priorities. 275 miles were traveled, 35 public contacts and 10 businesses visited.
- ✚ Coordinated and shared Team business outreach accomplishments in Crescent, Gilchrist and La Pine with assigned forest prevention staff.
- ✚ Supported Public information booths @ Ray's Grocery store and the FS/BLM Headquarters in Prineville.
- ✚ Briefed Kelsey Aanness and David Hamrick, Community Ambassadors-Crooked River Grasslands and Michell Gross and Erin Tennesen, Timber Pre-Sale crew-Ochoco NF, for community information distribution projects.
- ✚ Contacted 19 Prineville businesses, distributing placemats, tent cards & rack cards. During visits, eclipse stickers and bumper stickers were also presented as participation gratuities.
- ✚ Contacted Ginny Read and Jeff Bishop in response to the Milli Fire Evacuations/Public meeting in Sisters – offering Team support, materials and services as needed. Meg conferred with Lisa Machnik, COFMS PIO on future opportunities.
- ✚ Updated numerous Team administrative data tools with current accomplishments and statistics, in preparation for the final Team Report.
- ✚ Laminated numerous information booth directional signs for all COFMS areas. Initiated their posting in the Prineville area and delivery to outlying districts.
- ✚ 8/18 plans and preparations were made for another day of business visits in both Prineville and Madras.
- ✚ Visited the Ochoco NF fire cache to round-up Smokey and his branded items for upcoming planned activities at the Madras Information booth.
