Team Accomplishment August 14th:

Overview:

Today we continued working our expanded “trap-lines,” increasing our supply of materials for strategic placement, and meeting partners and agency representative for material distribution. Driving safety remains a top priority.

Product Delivery, Coordination and Relationship Building:

- **North Santiam:**
 - Reviewed and assimilated the Detroit Ranger District Eclipse Incident Action Plan (IAP).

- **Mary's Peak:**
 - Delivered materials to Oregon Department of Forestry in Dallas, OR for their distribution to patrol engines, offices and Dallas businesses.
 - Delivered materials to the Confederated Tribes of the Grand Ronde's Spirit Mountain Casino.
 - Coordinated with Grand Ronde Natural Resources staff and learned about tribal history and fire program. Shared the FTP site for their additional communication material needs. They will use materials at the tribal Powwow this Saturday.
 - Stocked the Hebo Ranger Station with materials for public distribution, discussed placement strategy with the District Recreation and Lands Staff, and shared the FTP site for their additional communication material needs.
 - Distributed materials at various coastal business between Hebo and Lincoln City, and the Lincoln City Chamber of Commerce.
 - Delivered three, 4x4 "Don't Park on Dry Grass" signs to the Willamette Valley National Wildlife Refuge Complex for placement at William L. Finley, Ankeny and Basket Slough National Wildlife Refuges.

- **Quartzville Corridor:**
 - Participated in Oregon Department of Forestry (ODF) Sweet Home Unit Eclipse Planning Meeting. Attendees included representatives from six private landowners, two federal land agencies, Linn County, four local fire districts, and two ODF units. All agencies and landowners have plans in place along with increased staffing for the time frame. ODF will prepare and send via email an Incident Action Plan (IAP) to the participating parties.
 - Distributed educational material including banners and road signs to ODF personnel who will post in highly used areas.
 - ODF staff provided information to download Avenza PDF ownership maps of area.
 - Sweet Home Ranger Station used materials for contact with campers and distributed stickers.
 - Posted road signs at four different locations.
 - Visited site of Brownsville Country Music Festival.
 - Distributed Rack Cards to Oregon Travel Experience visitor area at the Santiam Rest Area on I-5, south of Salem.

Additional Contacts, Communication and Capacity Building:

- **Keep Oregon Green:**
 - Discussed product distribution and placement with Kristin Babbs.
- **Oregon Travel Experience:**
 - Discussed material distribution and placement with Nancy DeSouza. Cannot place banners or signs at I-5 Rest Stops.
- Contacted Jones Fire PIO to coordinate.
- Completed NW Oregon Fire Prevention and Education Team Communication Plan and Talking Points.
- Completed and BLM District Management approved the NW Oregon Fire Prevention and Education Team Job Hazard Analysis.
- Created new "Obey Fire Bans," 8 ½" x 11" poster for distribution and placement.
