

BOAT Transportation **SCHEDULING**

If you need to get to any location on the Lake, you need to coordinate your trip through the Boat Group before 1600 prior to the desired date of transportation (For significant supply or equipment transportation it is preferred requests arrive 48 hours in advance).

- **Up Lake travel;**

- Use the Boat Transportation Request QR to request all up lake travel (shown here and in the in the main QR on the front of the IAP).
- After completing the request, someone from the Boat Group will contact you to schedule your actual departure time and location.
- Once you have your actual departure information, **you will need to contact Ground Support if you need assistance** with transportation to and from the landings (departure and arrival points) at 610-217-8467.
- **You must check-in with the Harbor Master when departing the boat!** They will be the individual assisting you with scheduling your return trip.

- **Down Lake travel;**

- Down lake transportation is coordinated through the Harbor Master at each landing.

If you have any question or need to speak with the Boat Group Supervisor, call 971-727-7255.
