Completed Dozer Line	Repair Needed	handwrite obliterate berms scatter slash back on line	
Completed Dozer Line	Repair Needed	obliterate berms scatter slash back overline	
Completed Dozer Line	Repair Needed	handwrite obliterate berms scatter slash back over line	
Completed Dozer Line	Repair Needed	Berms obliterated, slash scattered, minimal trail repair	
Completed Dozer Line	Repair Needed	Light to medium excavator with grapple bucket	
Completed Dozer Line	Repair Needed	Light to medium excavator, remove berms and scatter slash	
Completed Dozer Line	Repair Needed	Excavator needed, obliterate berms and scatter slash water bars as per repair plan. Water bar on dozer line just above trail. *Sleep down drain constructed of rock across trail where water bar drains. Retaining curb constructed of rock on lower side of trail adjacent to dozer intersection. Scatter slash heavily across beginning of dozer line above trail.	
Completed Dozer Line	Repair Needed	Repair per local BLM specs, obliterate berms and push piles, water bar as needed, needs medium excavator with grapple clear, access through private land to south	
Completed Dozer Line	Repair Needed	consult landowner, likely needs medium excavator	
Completed Dozer Line	Repair Needed	obliterate berms, need medium excavator with grapple bucket	
Completed Dozer Line	Repair Needed	Dozer line has no water bars. Only a few water bars needed on one slope to be up to spec.	1400
Completed Dozer Line	Repair Needed	Repair per local specs, needs a few water bars on slopes, obliterate berms and push piles, scatter slash on line. Consult local landowner for line off BLM land. Note: Dozer line on private ground is okay as is. No repair required. However the fence line is cut and will need repaired at the BLM/private property line. Jake Goebel E-279	3470
Completed Dozer Line	Completed - Ready for Inspection	Hand crew repaired	
Completed Dozer Line	Completed - Inspected	Completed dozer line with water bars no more repair needed	
Completed Dozer Line	Completed - Inspected	Flat dozer line. No repair needed.
