Human Resource Message

Colfax Complex
9/9/2020

An Operations Section Chief shared this with me a few seasons back. He uses this to brief his crews both at home and on assignments. It makes a great Human Resources message. Thank you Mike!

Mike's Five L's

1. LABOR

-Be professional, earn your pay, take pride in your work.

2. LEARN

-Take the opportunity to learn something everyday. You can learn from your supervisors and your subordinates.

3. LAUGH

-Enjoy what you do. Have fun, but never at somebody else's expense.

4. LOVE

-We are family. Everybody here is our brother and sister. We share a unique bond. Look out for each other.

5. LEAVE

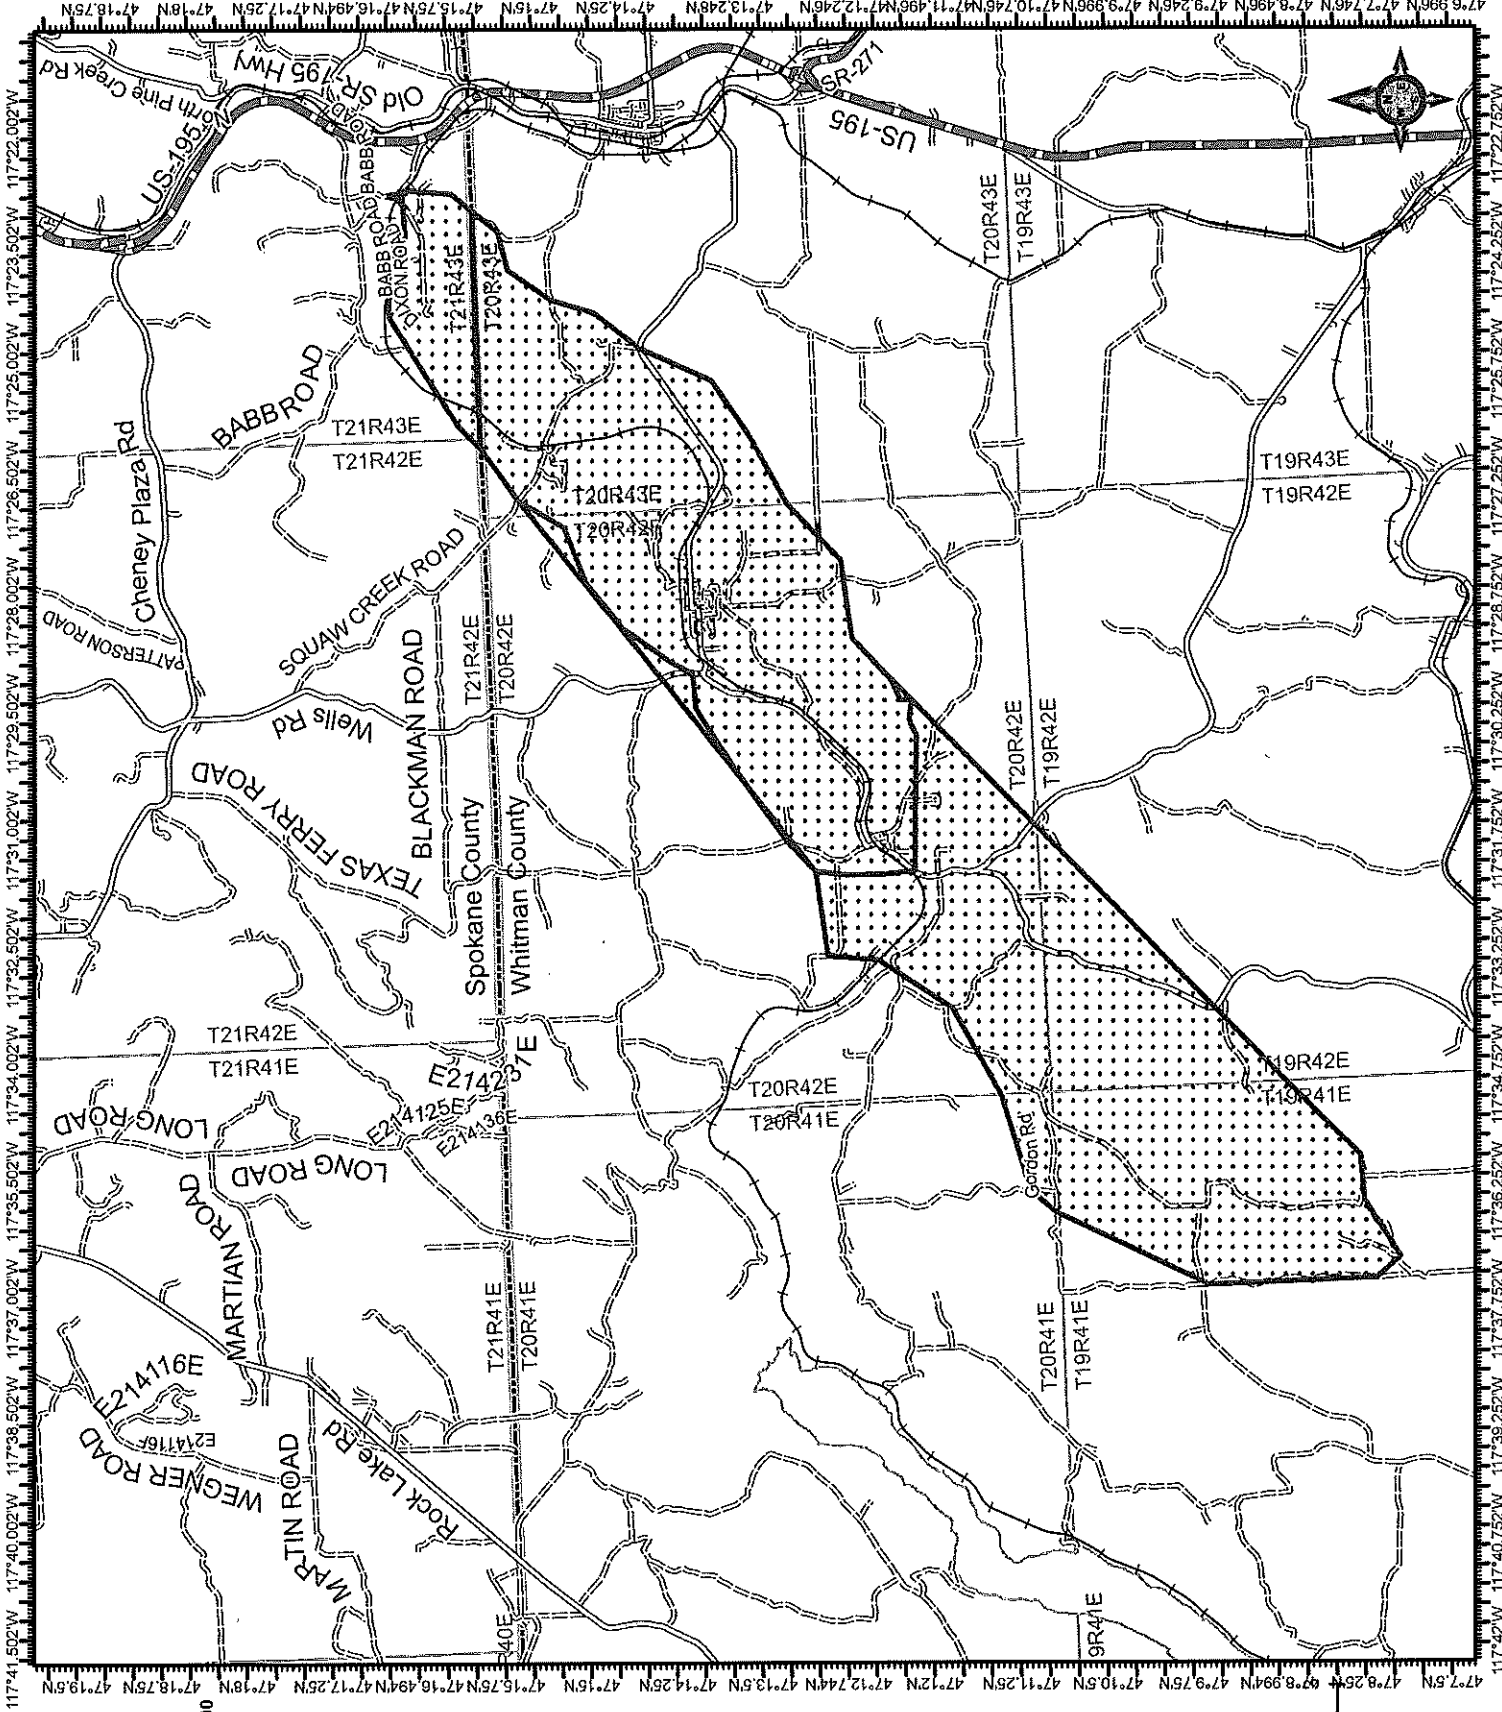

-Be safe. Nothing out here is worth getting hurt/killed for. Stay in touch with the outside world, family, friends, etc. Remember to keep your priorities straight.

Have a safe shift!
