# **SAFETY MESSAGE**

## **SAFETY IS OUR FIRST PRIORITY**

*Fire fighter safety comes first on every fire, every time*

### **Lookouts Communications Escape Routes Safety Zones**

#### **Make sure LCES is in place**

Each firefighter must know the interconnection of LCES - lookouts, communications, escape routes, and safety zones. LCES should be established before fighting the fire: Select lookouts, set up a communications plan, choose escape routes, and select safety zones.

### **MAJOR HAZARDS AND RISKS**

## Breaks

Breaks are an important component of our workday. They help us to stay focused, maintain positive attitudes, and ensure a safe work environment. Breaks also serve as opportunities to build or recharge crew and/or team morale.

During your break today, challenge yourself or other crewmembers to correctly answering the brain teasers below. Good luck!
