SAFETY MESSAGE/PLAN (ICS 208)

Kennewick Max Vac Pod

Date: 1/26/2021 Time: 0600 - 1800

Stay vigilant as the incident continues to expand, assuring the safety and wellbeing of all IMT members, community partners and public.

All personnel attached to the incident need to be taking extra precautions every operational period. These measures need to include, but not limited to the following:

- Daily temperature checks.
- Wash hands frequently and use hand sanitizer between washing.
- Maintain social distancing of >6 feet.
- Appropriate facial coverings required for assigned task (cloth, disposable, N95).
- Routinely sanitize work area and high touch areas.
- Ensure all personal protection equipment (PPE) is provided and worn for task assigned.

Parking Lot Safety

- Be hyper-aware of your surroundings when walking through parking areas.
- Do not assume that drivers can see you walking across parking lots.
- Treat parking lots as if they are busy streets. Look each way before crossing.
- Use parking lot aisles rather than spaces to move in between vehicles. If crossing in front of a vehicle is the only option- ensure eye contact is made with the driver and the vehicle is not in motion before crossing.
- Stay away from sections of the parking lot where drivers have a difficult time seeing you.
- Wear appropriate footwear with suitable traction that can provide adequate support when walking on uneven ground.
- High visible safety vest or clothing are to be utilized when working in or walking through parking lots or roadways.

Prepared by: Brenda Rodgers

COVID-19 Briefing Checklist

Self-Awareness / Screening

- Immediately separate yourself from others
- Notify supervisor if you or others experience:
 - Cough, more than expected.
 - Shortness of breath or difficulty breathing.
 - New loss of taste or smell
 - o Fever
 - o Chills
 - Sore Throat
 - o Muscle Pain

Hygiene

- Properly wash or sanitize your hands often, especially before and after eating or entering a public place, and after coughing or sneezing.
- Avoid handshakes and communal use items.
- Disinfect high touch surfaces often.

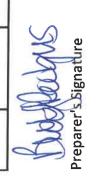

Social Distancing and Protective Equipment

- Initiate, practice, and remind others of social distancing.
- Conduct briefings and conversations outdoors an at least 6 feet apart when practical.
- Utilize face masks.

Communications

Face masks and social distancing complicate communications. Ensure effective sender/receiver messaging.

We are requesting pictures of fire line activity.

Please identify people and agencies so they can get credit.

Before posting pictures to your own accounts:

When your taking pictures please make sure that the following things are in place:

If you are near the fire line, ALL PPE must be worn. Gloves, hats, etc.

Make sure the activity you are capturing is what you want the public to see! You might want the picture of your crew eating lunch. Think twice before you post it on your account.

PIEASE DO NOT TAKE PICTURES THAT INCLUDES PUBLIC

Please do not take pictures of people sitting around. Beware of how the picture looks. Sometimes distances can be deceiving.

Remember your COVID Face cover if you are not social distanced.

Please email pictures or you can text to my number 509. 492.1461

Refer the public to the DOH Website, BFHD social media, or 800 525 0127.

I will try to give divisions a call if media wants to come out. If Media shows up unescorted please ask them to call me, and please report it up the chain of command.

Reminder: Patients = people; Patience = calmly waiting

Incident Within An Incident Guide

FIRST ON SCENE PROTOCOLS

In the event of a medical emergency provide the following information:

Declare the nature of the emergency (medical/injury/accident).
If <i>life threatening</i> , then request that the designated frequency be cleared for emergency traffic.
Identify the on-scene Point of Contact (POC) by Resource and Last Name (i.e. POC is Group Supervisor Smith)
Identify nature of the incident, number of patients, brief assessment of patient(s) and location.
Identify on-scene medical personnel by position and name (i.e. EMT Jones).
Identify if there will be a need for ambulance transport or activation of 911.
Request any additional resources and/or equipment needed.
Document all information received and transmitted on the radio and phone.
Identify any changes in the on-scene Point of Contact or medical personnel as they occur.

^{*}Notify Operations Section Chief and Safety Officer on all accidents/incidents.
