3. Leaders Intent

Continue to coordinate and support the Department of Health and West Region system planning and critical organizational needs. Meetings are scheduled between the IMO and represented counties in the West Region to plan to support mass vaccination functions. Invitations to ongoing County meetings to further develop safety, operational, logistical, and financial needs. Ongoing research into ordering avenues for each county, as well as the state, to meet needs as each vaccination location expands to incorporate mass vaccination.

- 4. Incident Objectives**
- Provide for the health, safety, and welfare of all public safety personnel, healthcare providers, clinic attendees, and vaccine recipients.
 - Develop plans to implement mass vaccination clinics for West Region residents in accordance with needs identified by the Counties.
 - Coordinate delivery of vaccines in accordance with relevant eligibility schedules.
 - Coordinate documentation of vaccines delivered.
 - Establish and maintain cost containment and cost accounting procedures in accordance with relevant guidelines.
 - Coordinate with LHJs for the timely, coordinated release of accurate public information.
 - Maintain and enhance interagency and interdisciplinary relationships by developing and maintaining an environment in which all participants are treated with dignity and respect.
