## **CORONAVIRUS SAFETY**

### **LIMIT THE SPREAD OF GERMS AND PREVENT INFECTION**

Recommends the following steps to help prevent the spread of germs during this situation:

- Practice social distancing by keeping about six feet from others if you must go out in public.
- Wash your hands often with soap and water for at least 20 seconds, especially after being in a public place, or after blowing your nose, coughing or sneezing. If soap and water are not readily available, use a hand sanitizer with at least 60% alcohol.
- Avoid touching your eyes, nose or mouth with unwashed hands.
- Avoid close contact with people who are sick.
- Cover your nose and mouth with a tissue when coughing or sneezing; throw used tissues in the trash. If a tissue isn't available, cough or sneeze into your elbow or sleeve, not your hands.
- Clean and disinfect frequently touched surfaces daily.
- If surfaces are dirty, clean them - use detergent or soap and water prior to disinfection. Full information on how to disinfect found [here](#).
- You should wear a facemask when you are around other people (e.g., sharing a room or vehicle).

- When emailing CTRs please include your name, resource order number, and the word TIME in the subject line of the email.  
Example: *Bear, Smokey O-123 TIME*
- (for questions only, please do not text documentation to these numbers)  
**Tammy Russell: 281-806-1845**                      **Kristen Munday 541-207-8450**

Sometimes we get them blurry, folded, upside down or in a weird angle and we can't read it. If given the option of attachment size don't select small as this makes it tiny and unreadable.
- If you have any trouble or issues using the E-CTR's please feel free to reach out to us. We can provide you with alternate formats.
