Finance Email: 2023.chilcoot.finance@firenet.gov

Finance Phone: 808-298-1386 or 208-731-3415

This incident requires electronic documentation. Please email your time to the Finance email address daily. Scanned PDF documents are preferred. Don't forget to add your resource order number in the upper left hand corner of your time.

Required Documents

Overhead, Agency Crews & Cooperators	Contract Resources
Finance docs needed: Resource Order, Manifest, Cooperative Agreement, Casual Hire Form w/ECl# (as applicable)	Finance docs needed: Resource Order, Manifest, Full Contract/Agreement, Certifications (<i>if required</i>) Pre-Inspection
Daily: CTRs, Shift Tickets	Daily: CTRs, Shift Tickets, receipts (claims, etc.) NOTE: Document travel times and odometer readings.
Demob: Signed OF-288; Signed OF-286	Demob: Contractor Evaluations, Shift Tickets, receipt(s) for Addition/Deductions, Post-Inspection, Signed OF-286
Additional Incident Information: See cover page of the IAP for incident numbers and financial codes.	Please call finance regarding issues with your time:

Hotel receipts must have all names on receipt. This must be done by hotel/motel/Airbnb staff. Per Diem rate \$107 M&IE \$59 for Douglas County. Per Diem rate for Lane County is \$132 M&IE \$64.

Remember CTRs and Shift tickets need your resource number and a full date – including year!

INCIDENT OBJECTIVES	1. Incident Name Chilcoot, Grizzly, Brice Creek	2. Date 10/17/2023	3. Time 12:45
----------------------------	---	------------------------------	-------------------------

4. Operational Period: 10/18-19/2023 0630-1930

5. General Objectives:

Implement a FULL suppression strategy for Chilcoot, Grizzly, and Brice Creek fires:

- Provide for firefighter and public safety through hazard identification and application of a shared risk management process.
- Coordinate public information to provide timely updates to agency partners, cooperators and the public.
- Coordinate suppression and repair activities with READs to minimize impacts on the landscape.
- Effectively manage and track costs for all five incidents.
- Coordinate with agency leadership/administrators to ensure effective and efficient management of firefighting resources.

Chilcoot, Grizzly:

- Chilcoot: provide full incident containment through suppression actions.
- Coordinate with ODF-DFPA, as needed, for changing conditions specific to fire progression potentially impacting private lands.
- Repair indirect lines not currently identified as potential containment features, identify primary line repair options as applicable.

Brice Creek:

- Implement full repair on all indirect line construction.
- Evaluate repair needs for primary line construction.
- Monitor access routes "Ingress/Egress" and minimize impact to road systems.
- Backhaul all equipment as applicable.

5a. Incident Requirements

- Priority values are firefighter and public safety, critical infrastructure, private land and natural resources.
- Provide Agency Administrator updates and briefings on incident status as conditions evolve.
- Firefighting operations will implement tactics that offer the highest probability of success to minimize impacts to the landscape and minimize unnecessary exposure to firefighters.

5b. Leaders Intent

- **Safety:** Firefighter, public and aviation safety will be addressed through hazard/exposure risk mitigation processes.
- **Risk Management:** Utilize an aligned risk assessment process that mitigates exposure to firefighters through evaluation of conditions during the duration of the incident.
- **Communication:** Keep Agency Administrators and firefighters informed of strategic actions, accomplishments and challenges.
- **Operations:** Make informed strategic/tactical decisions suppressing the fire in the right geographic locations with the appropriate resources having the highest probability of success.
- **Stakeholders:** Collaborate with local partners, officials and landowners to provide situational updates pertinent to the fire.
- **Logistics:** Provide support ensuring food, water and shelter for incident responders.
- **Human Resources:** Ensure that all incident personnel are treated with dignity and respect, while having zero tolerance for harassment, alcohol, or illegal drug use.
- **Public Information:** Provide timely and accurate information through media outlets, trap lines, briefings, community meetings and social platforms.
- **Finance:** Monitor and communicate incident cost associated with meeting incident objectives.
- **Planning:** Provide incident documentation, resource tracking and accurate data management.

Chilcoot Demob Check-Out Form

RO # _____ Resource Name _____ Fire: _____ Date: _____

Initials

Follow these steps in the order below:

- _____ 1. **Weed Wash** – ALL line resources that went off-road will need to go through a Weed Wash at Steamboat or the Lane County Scales **If not needed, proceed to step 2.**
- _____ 2. **Ground support (ICP)** – Contractors must stop to sign their release inspection. The inspection is optional for agency resources. **Agency resources proceed to step 3.**
- _____ 3. **Supply & Communications (ICP)** – Return any items you checked out. All units must have initials from SUPPLY confirming all equipment has been returned.
- _____ 4. **Finance (ICP)** – Proceed to FINANCE to receive your final timesheet. Having ALL your time turned in will GREATLY speed up the process.
- _____ 5. **Demob (ICP) – Final step.** Return this completed Demob Check-Out form and any documentation to Demob/Check-in.

Brice Creek Virtual Demob Process

1. Go through weed wash, located after the Row River bridge at the Lane County truck scales on Row River Road.
2. Be sure to keep your CTRs or shift tickets up to date.
 - a. Day of demob email finance (2023.chilcoot.finance@firenet.gov) **travel CTR, hotel receipts, and signed pre-inspection** with checked “no damage/no claims” if appropriate.
 - b. They will email you a draft invoice. **Check it and email back** to finance.
 - c. You will then receive a final invoice. For equipment sign block 30, date block 31, and print your name in block 34. For time sheets sign inside block 20. **Be sure to sign every page and initial any modification pages.**
3. Once you’ve emailed your signed final invoice to finance and gone through weed wash call Demob at 541-806-0285.

Medical Incident Report

FOR A NON-EMERGENCY INCIDENT, WORK THROUGH CHAIN OF COMMAND TO REPORT AND TRANSPORT INJURED PERSONNEL AS NECESSARY.

FOR A MEDICAL EMERGENCY: IDENTIFY ON SCENE INCIDENT COMMANDER BY NAME AND POSITION AND ANNOUNCE "MEDICAL EMERGENCY" TO INITIATE RESPONSE FROM IMT COMMUNICATIONS/DISPATCH.

Use the following item to communicate situation to communications/dispatch.

1. **CONTACT COMMUNICATIONS / DISPATCH (Verify correct frequency prior to starting report) Ex:**
"Communications, Div. Alpha. Stand-by for Emergency Traffic."
2. **INCIDENT STATUS: Provide incident summary (including number of patients) and command structure.**
Ex: "Communications, I have a Red priority patient, unconscious, struck by a falling tree. Requesting air ambulance to Forest Road 1 at (Lat./Long.) This will be the Trout Meadow Medical, IC is TFLD Jones. EMT Smith is providing medical care."

Severity of Emergency / Transport Priority	<input type="checkbox"/> RED / PRIORITY 1 Life or limb threatening injury or illness. Evacuation need is IMMEDIATE Ex: Unconscious, difficulty breathing, bleeding severely, 2° – 3° burns more than 4 palm sizes, heat stroke, disoriented.	
	<input type="checkbox"/> YELLOW / PRIORITY 2 Serious Injury or illness. Evacuation may be DELAYED if necessary. Ex: Significant trauma, unable to walk, 2° – 3° burns not more than 1-3 palm sizes.	
	<input type="checkbox"/> GREEN / PRIORITY 3 Minor Injury or illness. Non-Emergency transport Ex: Sprains, strains, minor heat-related illness.	
Nature of Injury or Illness & Mechanism of Injury		Brief Summary of Injury or Illness (Ex: Unconscious, Struck by Falling Tree)
Transport Request		Air Ambulance / Short Haul/Hoist Ground Ambulance / Other
Patient Location		Descriptive Location & Lat. / Long. (WGS84)
Incident Name		Geographic Name + "Medical" (Ex: Trout Meadow Medical)
On-Scene Incident Commander		Name of on-scene IC of Incident within an Incident (Ex: TFLD Jones)
Patient Care		Name of Care Provider (Ex: EMT Smith)

3. INITIAL PATIENT ASSESSMENT: Complete this section for each patient as applicable (start with the most severe patient)

Patient Assessment: See IRPG page 106

Treatment:

4. TRANSPORT PLAN:

Evacuation Location (if different): (Descriptive Location (drop point, intersection, etc.) or Lat. / Long.) Patient's ETA to Evacuation Location:

Helispot / Extraction Site Size and Hazards:

5. ADDITIONAL RESOURCES / EQUIPMENT NEEDS:

Example: Paramedic/EMT, Crews, Immobilization Devices, AED, Oxygen, Trauma Bag, IV/Fluid(s), Splints, Rope rescue, Wheeled litter, HAZMAT, Extrication

6. COMMUNICATIONS: Identify State Air/Ground EMS Frequencies and Hospital Contacts as applicable

Function	Channel Name/Number	Receive (RX)	Tone/NAC *	Transmit (TX)	Tone/NAC *
COMMAND					
AIR-TO-GRND					
TACTICAL					

7. CONTINGENCY: Considerations: If primary options fail, what actions can be implemented in conjunction with primary evacuation method? Be thinking ahead.

8. ADDITIONAL INFORMATION: Updates/Changes, etc.

REMEMBER:

Confirm ETA's of resources ordered. Act according to your level of training. Be Alert. Keep Calm. Think Clearly. Act Decisively.
