This aerial hazard map is not to be used for navigation. The FAA should be contacted for current information. Further information including eCHUM (electronic chart bulletin manual) and USFIS (United States Flight Information Files) is required in order to be useful for navigation. There may be additional hazards not depicted as TFR (temporary flight restriction) or other information (notices to the NOTAM (Notice to Airmen) issued by the FAA). All this information can greatly influence safety. No warranty is made by the USDA Forest Service or Bureau of Land Management as to the accuracy, reliability, or completeness of this data. This map may not meet National Map Standards.
