DENVER

This aerial hazard map is not to be used for navigation. The FAA should be contacted for current information. Further information including eCHUM (electronic chart update manual) and USTFF (United States Flight Information Files) is required in order to be useful for navigation. There may be additional information such as TFR (temporary flight restrictions) or other information included in the NOTAM (Notice to Airmen) issued by the FAA. All this information can greatly influence safety. No warranty is made by the USDA Forest Service or Bureau of Land Management as to the accuracy, reliability or completeness of this data. This info may not meet National Map Standards.
